

**VALUABLE ELECTRICAL BOOKS.**

Any of the following Standard Works on Electric Light and Power, Electric Railways, Telephones, etc., sent post-paid on receipt of price:—

- Allsop's Practical Electric Light Fitting.* A treatise on electric light wiring and fitting. \$1.50.
- Ball's The Dynamo Tender's Hand-Book.* \$1.00.
- Ball's Electric Transmission Book-Hand.* \$1.00.
- Ball's Incandescent Wiring Hand-Book.* Containing full instructions for incandescent wiring. \$1.00.
- Noll's How to Wire Buildings.* \$1.50.
- Crocker-Wheeler's Practical Management of Dynamos and Motors.* Description and directions. \$1.00.
- Buckley's Electric Lighting Plants.* Cost and operation. \$2.00.
- Thompson's Polyphase Electric Currents, etc.* New. \$3.50.
- Crocker's Electric Lighting.* For the use of electricians, students and others interested in the installation or operation of electric lighting plants. \$3.00.
- Lutime's Incandescent Electric Lighting.* A practical description of the Edison System. 50 cents.
- Perry's Electric Railway Motors;* their construction, operation and maintenance. \$1.00.
- Merrill's Reference Book of Tables and Formulas for Electric Street Railway Engineers.* \$1.00.

- Traver's Electric Railway Engineering,* embracing practical hints upon powerhouse dynamo, motor and line construction; for the use of students. \$2.00.
- Verity's Electricity Up-To-Date, for Light, Power and Traction.* \$1.00.
- Hutchinson & Phillip's Westinghouse Electric Street Car Equipments.* \$1.00.
- Allsop's Telephones: Their Construction and Fitting.* \$2.00.
- Hopkin's Telephone Lines and Their Properties;* design and construction of city lines. \$1.50.
- Poole's Practical Telephone Hand-Book.* New edition. \$1.50.
- Webb's Telephone Hand-Book.* \$1.00.
- Haskin's Telephone Troubles and How to Find Them* a complete hand-book for telephone inspectors. 25 cents.
- Bennett's Telephone Systems of Europe;* new and very complete. \$4.50.
- Preece & Stubb's Manual of Telephony.* \$4.50.
- Cushing's Standard Wiring.* \$1.00.
- Thompson's Dynamo Electric Machinery.* \$6.00.
- Unwin's Development and Transmission of Power from Central Stations;* a new and timely book. \$3.50.
- Meadcroft's A B C of Electricity,* 50 cts.
- Tesla's Inventions and Researches,* by T. C. Martin. \$1.00.
- Elementary Electro-Technical Series,* by Edwin J. Houston, Ph.D., and A. E. Kennelly, Sc.D. A complete electrical library for the student, engineer, and general public.

- Magnetism.*—291 pages; 94 illustrations.
- Electric Heating.*—290 pages; 86 illustrations.
- Electric Telegraphy.*—448 pages; 163 illustrations.
- The Electric Motor.*—377 pages; 122 illustrations.
- The Electric Telephone.*—412 pages; 163 illustrations.
- Electric Arc Lighting.*—383 pages; 155 illustrations.
- Electric Street Railways.*—367 pages; 158 illustrations.
- Electricity in Electro-Therapeutics.*—452 pages; 147 illustrations.
- Alternating Electric Currents.*—225 pages; 77 illustrations.
- Electric Incandescent Lighting.*—449 pages; 146 illustrations.

The general public, students of elementary electricity and the many interested in the subject from a financial or other indirect connection, as well as electricians desiring information in other branches than their own, will find in these works precise and authoritative statements concerning the several branches of applied electrical science, of which the separate volumes treat.

The entire issue, published in a series of ten volumes, is nevertheless so prepared that each book is complete in itself and can be understood independently of the others. The volumes are profusely illustrated; printed on a superior quality of paper; handsomely and substantially bound.

The entire set for \$10.00, or separately at \$1.00 each.

**Canadian Manufacturer Publishing Co.**  
(Limited).

McKinnon Building, TORONTO.

## BRYANT . . ELECTRIC . SUPPLIES .

By special arrangement with the manufacturers, we are placing in stock on Montreal, a complete line of Bryant specialties, including K. W. Rosettes, Bryant Sockets, Branch Blocks, etc., etc. Our catalogue B. showing Bryant goods is now ready, and is the most complete catalogue ever published for the Canadian trade. Write for one.

**The IMPERIAL INCANDESCENT LAMP** IS WINNING FAST FRIENDS WHEREVER USED.

**JOHN FORMAN, 644 CRAIG ST., MONTREAL.**

**THE CROCKER IMPROVED  
...TURBINE.**
