Church Pews
 SCHOOL FURNITURE
 The Bennett Furnishing Co., of London Ont. make a specialty of manufacturing the latest designs in Church and School Furniture. The Catholic clergy of Canada are respectfully invited to send for catalogue and prices before awarding contracts. We have lately put in a complete set of pews in the Brantford Catholic Church, and for many years past have been favoured with contracts from a member of the clergy in other parts of Ontario, in all cases the most entire satisfaction having been expressed in regard to quality of work, lowness of price, and quickness of execution. Such has been the increase of business in this special line that we found it necessary some time since to establish a workshop in Glasgow, Scotland, and we are now engaged manufacturing pews for new churches in that country and Ireland. You will find it so good, more than you can imagine. Such convincing testimony explains why the rage for St. Leon is spreading so fast.

A Can. Minister's Experience.
 St. Paulin, P. Qub. Can. Feb. 10, 1890.
 I am happy to give this testimonial as to the excellency of "Pastor Köenig's Nerve Tonic." Suffering for a long period of nervous debility due to dyspepsia, I ascertained that since I made use of this remedy a radical change was operated on me: not only on the nerves, but even dyspepsia disappears promptly. Similar experiences have been made by many of my conferees with this remedy. I consider it entirely efficacious and proper to cure all nervous diseases and other cases depending from the same.

Electricity as applied by The Owen Electric Belt and Appliances
 is now recognized as the greatest boon offered to suffering humanity. It has, does and will effect cures in seemingly hopeless cases where every other known means has failed. By its steady, soothing current, that is easily felt, it will cure:
 Rheumatism, Sciatica, Spinal Diseases, General Debility, Neuralgia, Lumbago, Nervous Complaints, Spermatorrhea, Dyspepsia, Liver Complaint, Female Complaints, Impotency, Constipation, Kidney Disease, Varicocele, Sexual Exhaustion, Epilepsy or Fits, Urinary Diseases, Lame Back.

WE CHALLENGE THE WORLD
 to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Ordinary belts are not so. Other belts have been in the market for five or ten years longer, but today there are more Owen Belts manufactured and sold than all other makes combined. The people want the best.

Extracts From Testimonials.
 "Your Electric Belt cured a violent attack of Sciatic Rheumatism of several months' standing, in eight days."—W. Dixon, sr., Grand Valley, Ont.
 "SAVED MY LIFE when I had Muscular Rheumatism."—Mrs. Carroll, West Market Street.
 "Am much pleased with belt; it has done me a great deal of good already."—J. Schiringer, Galt, Ont.
 "Have been a sufferer for years from Nervous Headaches and Neuralgia. After trying one of your belts am more than satisfied with it. Can knock out a headache now in fifteen minutes that used to keep me in bed for days."—Thos. Gales, Crawford St., Toronto.

BEWARE OF IMITATIONS.
 Our attention having been attracted to base imitations of "The Owen Electric Belt," we desire to warn the public against purchasing worthless productions put upon the market by unprincipled men who, calling themselves electricians, prey upon the unsuspecting by offering worthless imitations of the Genuine Owen Electric Belt that has stood the test of years and has a continental reputation. Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by The Owen Electric Belt and Appliance Co. None genuine without it.
