

TIMBER LIMIT TRANSACTIONS.

Several important transactions in timber limits have taken place during the past week. Munro Bros., of Pembroke, disposed of a large limit on the Jocko river, in the Mattawa district, to J. B. and W. H. Fraser, of Ottawa. The figure is given as \$225,000. The limit was purchased by Munro Bros. two years ago for \$150,000, and it is said that since that time they

have taken off logs and square timber to the value of probably \$230,000.

The Rideau Lumber Company last week disposed of their limits on the Dumoine river to the Pembroke Lumber Company, of Pembroke, Ont., for a sum in the vicinity of \$200,000.

Edward Moore, of Ottawa, is reported to have sold a limit on the Black river to McLachlin Bros., of Arnprior, but the report is not confirmed.

A. B. Hunt, of Bury, Que., has sold to T. A. Vandyke and others, of New Hampshire, 2,500 acres of timber land located near Bury Village, the price being \$13 per acre.

Allen Francis, of Renfrew, is reported to have recently purchased a timber limit in the Sault Ste. Marie district at figures said to approach the \$200,000 mark.

Limits in townships of Jarvis and Anderson, estimated to contain 50,000,000 feet,

have been purchased by James McFadden, of Ottawa, and a limit in the township of Chesley has been purchased by N. Dymont.

The sash and door factory of W. W. Harper, of Charlottetown, P. E. I., was completely destroyed by fire on September 9th. The loss is estimated at \$3,000, with no insurance.
