PROSPECTUS OF "THE WATCHMAN."

RELIGIOUS AND LUTERARY JOURNAL,

PUBLISHED WILLIAM IN THE CITY OF TO CONTO.

This Journal will vinduate the great pemerples of Protestantism; but e-pecially that form of Prote-tantism. termed disout or consconformily. The equal evil rights of the several sections of the Charston Church, the support of the Gospel Manetey by voluntary contributions, the introduction of Lay agoney rate off the Cornerls of the Church. are some of the positions which will be advocated in the Watehman, Througad on wherever existent or bowever high the earthly authority by which they may be sinetioned, will be tearledy exposed; but party polities will never be admitted in the columns of the above Journal.

The Westman will not be the official organ of any religious community; yet the undersigned will feel great pleasure in inserting brief notices (it furnished) of the progress of evangeheal denominations. I'specially is it expected that in the about of a connexional organ, the Canadian Wesleyan Methodist New Connexion Church, will consider this Journal their medium of acquainting the public with their operations and progress.

Great care will be taken to render the Watel man not only unobjectionally, but micresting and instructive as a family newspaper. It is intended that this periodical shall maintain a position equally district from the airy region of romance and the spiritless ingradony of an uninteresting compilation. The following plan of Departments has after -much consideration, been adopted.

- 1. THE MISCELLAN 1 -commaining original and selected articles-religious, moral, literary, scientific, &c.
- 2. THE FAMILY CLOCKE-in which the duties, Hisponsibilities, advantages, &c., &c., of this most ancient wh pact will be discursed.
- 3. The Geographic and Historic-which will furnish notices of the position, history, habits and customs, &c., of the various nations of the earth.
- 4. THE PAUSS AND GENERAL REVIEW .- Here the sentiments of the leading periodicals on the great topics offecting the interests of the Church and the world, will be inserted; also occasional reviews of late works.
- 5. Ecclesiastical-or an index of the progress or decline of evangetical Christianity in the world.
- 6. The Watchman or principal editorial departmentcontaining a faithful festimony for the trath, a solemn protest against the prevailing errors in the doctrines, practice, polity, Ec., of, professedly Christian Churches; also a review of hews.
- 7. GENERAL INTELLIGE CE-containing Provincial, American British and Foreign news. Special attention will be paid to the proceedings of Grandian parlia-

ment.

8. THE Addice the Military from the will contain general selections, the discrete improvements, &c., in this most in a discrete in the categories of Canadian industry.

By engaging in this enterprise, the undersigned places

himself under lieavy for consibilities—moral, literary and financial; and he is this aware that without divine assistance and the hearty to peration of brethren in Chrise and personal friends, these responsibilities will be extremely burdensome.

The Watchingh will be published every Monday evening, by hid for the undersigned.

SIR HENRY HALFORD'S IMPERIAL BALSAM,

Y'II THE CUEE CERHEUMATISM, ACUTE OR CHRONIC, RHEUMATIC GOUT, NEURALGIA,

> AND DISEASES OF THAT CLASS.

THIS extraordinary and potent compound is made according to a favorite pre-cription of the above eminent Physician. Sir Ashey Couper, also, frequently reforced his students to the compound as entirently calculated for the cure of Rheumetian volume to their diseases of that class—its ingredients are entirely from the Vertable Kingdom, and if any medicine could legitimately be described. minated a specific, this remady is presumently calified to that appendition. But the Propries or does not believe in INF VIAIBLE SPECIFICS for the case of any disease; by this condition in this medicine is such as to supply it on the condition of no care no pay—that is, the money shall be returned in every case where it tails to effect a care. Its success in the cases where it had a fair trial in this city has been perfectly satisfactory. The following ease is published by permission of the party.

Tononto, 14th December, 1848.

Sir,-Having for a considerable time severely suffered from an attack of Rheumatism, in my right arm and side, I applied to one of our respectable Physicians; but his treatment was of no permanent benefit to me. I was, there fore, induced to procure a bottle of your IMPERIAL BALSAM, which has completely cuted me, having now been perfectly free from any kind of pain for twelve beauties. You never use this communication as you think months. You may use this communication as you think proper, and refer enquirers to

S. F. URQUHART, General Agent, 69, Yonge Street, Toronto.

Dear Sir .- Being for the last four years subject to severe attacks of Rheumatism, Gout, or Rhematic Gout, - I know attacks of Rhenmatism, Gout, or Rhematic Gott,—I know not which; and having tried many remedics, prescribed by different parties, I have now no hesitation in stating that your Medicine, called SIR HENRY HALFORD'S IMPERIAL BALSAM, has stopped the complaint in the preliminary stages, four times over, in a few hours, Indeed, although you prescribe it to be taken four times a-day, I have never had to resort to it more than the complaint in the control of t Not only myself, but some friends to whom given some, were similarly relieved:—and in no case have I found it to fail. This is the first Fall, for four years, I have escaped the affliction, and which I attribute, under Providence, to the use of your Medicine.

A Case of Chronic Rheumatism of fifteen years standing, cured by Halford's Balsam and Hope's Pills.

TORONZO, 14th December, 1848.

Dr. Unquiart: Dn. Unquiart:

Dear Sir,—I hereby certify, that I have been afflicted with Rheumatism for fifteen years; for a considerable time I was confined to bed, and the greater part of that time I could not move myself; some of my joints were completel, dislocated, my knees were stiff, and all my joints very much swelled; for the last three years, I was calcely able to do three month's work without suffering the most eventuating pairs. I was declared in Furence by the most excruciating pains. I was doctored in Europe by the most exerticiating pains, I was doctored in Europe by several physicians of the highest standing in the profession as well as in this province, I was also five months in the Toronto Hospital, and, noty ithstanding all the means used, I could not get rid of my complaint, indeed I was told by a very respectable physician that I never could be cured, so that of the time my attention was directed to your SIR HENRY HALFORD'S IMPERIAL BALSAM, for the cure of Rhenwalth I.a. and Rhenwalte Gout—and for the cure of Pheumatism, and Rheumatic Gout—and Dr. HOPE'S PILLS. I was despairing of ever getting cured; when I and on you, I was hardly able to walk, and what was almost miraculous, in three works from my commencing to take your medicine, I gained fourteen pounds in weigh; my health was much improved, and in about three cells more my Rheumatism was completely gone and my health perfectly restored. I now enjoy do good health as any man in Canada. Since my recovery I have walked forty-six miles in one day with perfect freedom, and I assure you, Sir, that I feel truly thankful. You can make any use of this you please; my case is known. to several individuals of respectability in this city their

names you know and can refer to them if necessary.

Yours, truly and gratefully,
THOMAS WRIGHT.
