TIMES ARE CHANGING

TIME was when every woman in the country baked her
own bread. Now wherever they can do so they buy
baker's bread.

The same wise reasoning induces people to buy Clark's

Pork and Beans

They are the best selected beans cooked in the best way
(as forty years of experience has shown) and ready for the
table just as baker's bread is, with no kitchen toiling and
broiling.

Just try Clark's Lunch Tongue, Clark's Corned Beef, or any of Clark's Meats—they are all good.
