

pounds in a few weeks. My joints assumed their normal size, my muscles became firmer, and in fact I was a new man. By April I was able to go to work in the basket factory, and now I can work ten hours a day with any man. I often stay on duty overtime without feeling any bad effects. I play baseball in the evenings and can run bases with any of the boys. Why I feel like dancing for very joy at the relief from abject misery I suffered so long. Many a time I prayed for death to release me from my sufferings, but now that is all gone and I enjoy health as only he can who suffered agony for years. I have given you a brief outline of sufferings, but from what I have told you can guess the depth of my gratitude for the great remedy which has restored me to health and strength.

Wishing to substantiate the truth of Mr. Condor's remarkable story the Empire representative called upon Mr. F. W. James, the Oakville druggist referred to above. Mr. James fully corroborated the statements of Mr. Condor. When the latter had first taken Dr. Williams' Pink Pills he was a mere skeleton—a wreck of humanity. Thy people of the town had long given him up for as good as dead, and would hardly believe the man's recovery until they saw him themselves. The fame of this cure is now soad throughout the section and the result is an enormous sale of Pink Pills. "I sell a dozen-and-a-half boxes of Pink Pills every day," said Mr. James, "and this is remarkable in a town the size of Oakville. And better still they give perfect satisfaction. Mr. James recalled numerous instances of remarkable cures after other remedies had failed. Mr. John Robertson, who lives midway between Oakville and Milton, who had been troubled with asthma and bronchitis for about 15 years, has been cured by the use of Pink Pills, and this after physicians had told him there was no use doctoring further. Mr. Robertson says his appetite had failed completely, but after taking seven boxes of Pink Pills he was ready and waiting for each meal. He regards his case as a remarkable one. In fact Dr. Williams' Pink Pills are recognized as one of the greatest modern medicines—a perfect blood builder and nerve restorer—curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus dance, nervous headache, nervous prostration and the tired feeling resulting therefrom, diseases depending upon humors in the blood, such as scrofula, chronic

erysipelas, etc. Pink Pills restore pale and sallow complexions to the glow of health, and are a specific for all the troubles peculiar to the female sex, while in the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of whatever nature.

The Empire reporter also called upon Mr. J. C. Ford, proprietor of the Oakville Basket Factory, in which Mr. Condor is employed. Mr. Ford said he knew of the pitiable condition Condor had been in for years, and he had thought he would never recover. The cure was evidently a thorough one for Condor worked steadily at heavy labor in the mills and apparently stood it as well as the rest of the employees. Mr. Ford said he thought a great deal of the young man and was pleased at his wondrous deliverance from the grave and his restoration to vigorous health.

In order to still further verify the statements made by Mr. Condor in the above interview, the reporter on his return to Toronto examined the General Hospital records, and found therein the entries fully bearing out all Mr. Condor had said, thus leaving no doubt that his case is one of the most remarkable on record, and all the more remarkable because it had baffled the skill of the best physicians in Toronto.

These pills are manufactured by the Dr. Williams' Medicine Company Brockville, Ont., and Schenectady, N. Y., and are sold in boxes (never in loose form by the dozen or hundred, and the public are cautioned against numerous imitations sold in this shape) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

### BEATTY'S PIANOS AND ORGANS.

Hon. Daniel F. Beatty, the great Organ and Piano manufacturer, is building and shipping more Organs and Pianos than ever. In 1870 Mr. Beatty left home a penniless plow boy, and by his indomitable will he has worked his way up so as to sell so far, nearly 100,000 of Beatty's Organs and Pianos since 1870. Nothing seems to dishearten him; obstacles laid in his way, that would have wrecked any ordinary man forever, he turns to an advertisement and comes out of it brighter than ever. His instruments, as is well known, are very popular and are to be found in all parts of the world. We are informed that during the last ten years he intends to sell 200,000 more of his make, that means a business of \$20,000,000 if we average them at \$100 each. It is already the largest business of the kind in existence—Send to Daniel F. Beatty, Washington, New Jersey, for Catalogue.
