for instance, has stood the test for many years. If you keep it you keep something that reflects credit on your judgment, helps other departments of your business, and leaves you a good margin of profit. Its the same with our famous FANCY MIXTURES—or indeed anything in Tobacco bearing our name, which has come to be regarded as a guarantee of excellence. We have found that merit tells. So will you.

The latest practical exponent of this fact, says the *Hardware*, does business at Albion, N. Y. To everyone purchasing from him the one-wheeled vehicle known as the wheelbarrow, he gives the purchaser a free ride home.

PRITCHARD &amp; BLAIR, a somewhat extensive firm of general dealers at Kazabazua, on the Gatineau, are seeking a settlement at 60 cents in the dollar on liabilities of \$19,000; assets nominally \$20,300. The firm dates from 1889, when they were reported to have started with a substantial capital. Mr. Blair died in April last.

A FARMER at Danville, Que., named W. G. Cross, who started a small grocery business a few years ago, has been obliged to call his creditors together.—Bourret &amp; Co., doing a small grocery business at Louiseville, have assigned, and owe about \$1,200. Mr. Bourret has been unsuccessful before, having failed in 1888, when he owed \$5,900.

The sheriff is in possession of the millinery stock of Mrs. C. Roode at Berlin.—Last November, C. M. Arkell, dealer in groceries and liquors, St. Thomas, compromised with creditors at 50 per cent. In order to carry out his arrangement he raised money by giving a chattel mortgage. Now this instrument has been the means of closing his business.—In the same town, early in 1891, William Scarlett started as a grocery dealer without any previous experience in that line, and it cannot be any great surprise to hear of his recent failure.
