MILLS AT CORNWALL

A. MISCAMPBELL, M.P.P., has been appointed manager of the Clergue fleet of steamers. He is located at Sault Ste. Marie, the headquarters of his company.

It is announced that Messrs. W. H. & T. W. James will in the course of a few weeks open a general dry goods and grocery store in Perth.

LAST week Freeman I. Davidson, of Windsor, N.S., took to Halifax, two gold bricks, weighing 417 ounces, and valued at \$8,800. This represented the product of fifteen tons of quartz crushed at Renfrew from the Jubilee mine recently purchased by the Big Five company.

A. WREN & Co., who have carried on a foundry, etc., for a number of years in Forest, were burnt out in March last, making a total loss. The insurance of \$1,000 was only sufficient to cover the mortgage indebtedness. Under these circumstances their assignment need be no surprise, and the general creditors need not expect a large dividend.

LAST week we stated that A. C. Dunn, dealer in men's furnishing goods, Brantford, was in financial difficulty. Now we hear that he has assigned, owing about \$8,000. He has a stock of goods which he estimates at \$1,000 less. This will be sold next Tuesday.—Adam J. Eiler, tailor, Ripley, has also assigned after carrying on business about ten years.

DONALD KENNEDY, general storekeeper, Caledonia, after making a couple of failures began trading under cover of his wife's name. His first break was in 1879, when he paid creditors about 75 per cent. of their claims. Eleven years later he got into trouble again, but his creditors did not fare quite as well, as they only got 60 per cent. on liabilities of \$5,400. She had been trading ten years, but at no time had she much if any surplus, and now assigns.

IN October, 1879, C. A. Wenino came from Sarnia to London, and paid \$700 cash for the grocery business of Y. F. Mossop. In the Forest city he did not enjoy good health; consequently the business did not prosper, and he has assigned.—It is now less than one year since W. H. Rodgers moved his dry goods stock from Regina to Rat Portage, but owing to strong competition he has had poor success. Now we hear that he has sold his stock to John Burns, and afterward made an assignment.

Business Obtained

by catchy schemes and doubtful enterprises is surely short-lived. Misrepresentation and fraud backed up by untruth, is as surely the forerunner of failure.

The Spramotor Company have been the first to give the fruit-growers and manufacturers of Canada a strictly reliable machine for a variety of purposes, the latest of which is applying coal tar as a paint mixture.

It is a brass machine being so perfect in its mechanism that it will whitewash, disinfect, paint with almost any known mixture—as well as spray fruit trees.

It is the subject of more patents than exist on all other appliances together—and yet it is sold as low—or nearly as low—as any other sprayer in the market.

We will also sell you the chemical to use with the Spramotor, or you can get it from your dealer yourself. The only advantage we offer you in this is it is guaranteed strictly pure, and at the lowest possible price. Copyrighted Treatise free.
