CALENDAR FOR NEXT WEEK.

JUNE.
16, Second Sunday after Pentecost—Feast of St. Francis Regis, S.J.
17, Monday in the Octave of Corpus Christi...

CITY AND ELSEWHERE.

Rev. Father Fox came from the East on Monday and remained in the City a day or two.

St. Mary's Court No. 276 of the Catholic Order of Foresters hold a regular meeting in Unity Hall on Friday evening.

The quarterly meeting of the C. M. B. A. Relief association announced in our last issue for this week will not be held until the first Thursday in July.

We notice that Mr. H. Brownrigg has made additions to his place of business in the market building and has added a grocery department.

The Rev. Father McCarthy, O. M. I., is at present at Moosomin where he is filling the peace of the Rev. Father Gillis who is visiting his old home in the maritime Provinces.

The distribution of prizes will take place at St. Boniface College on Tuesday evening next at 8 o'clock. There will be a dramatic scene in English and another in French. All friends are invited to be present.

Mr. F. W. Russell has been elected a member of the Council of Manitoba University, representing thereon St. Boniface College, and filling the vacancy caused by the retirement of Mr. Gerald F. Brophy, who is not now residing in the Province.

The funeral of the late Martin Lynch took place from the establishment of Mr. Hughes & Son yesterday afternoon. Services were held at St. Mary's Church, and the remains were interred at the Port Rouge cemetery.

The crop reports published during the past week are very satisfactory. Notwithstanding the recent cold wave the prospects for a bountiful and an early harvest are the brightest possible, and if the price of wheat remains at a profitable figure, as dealers predict that it will, the country's prosperity for 1895 seems to be assured.

We have received from Mr. Henbach, manager of the Winnipeg Industrial Exhibition a copy of the Prize List just published, and we are asked by him to state that it is now ready for distribution and will be mailed free on application. The exhibition is this year to be held from the 15th to the 19th July and all entries have to be made by 5th July.

Waghorn's Guide for June. As usual this month's Guide is replete with well arranged time tables of travel by rail, stage ocean and Lake. Fares, express and telegraph rates from all points. Post offices, mail and stage services, and tables of information relative to Legislative, Municipal Land and Regulations, Registration Districts, Queen's Bench and County Court Sittings, Military, Ecclesiastical, Educational and secret Societies, Guides, Game laws, Cricket fixtures, Diary, Almanac, etc., with special maps of Winnipeg and of the Province. Price five cents.

The June issue of Stovel's Pocket Directory, Winnipeg contains in addition to the extensive list of railway, steamboat, street car, and stage time tables, maps, banks, telegraph and cable rates, postal information, game laws, farmers' institutes and agricultural societies, county court sittings, secret and benevolent societies, real property act, etc., a number of new features, some of which are tables showing the express rates to all points on from one to 100 lbs., a list of exemptions from seizure in Manitoba, tables of comparative times, distances, license fees, etc. A list of barristers and solicitors of the Province is also given, and the legal information so arranged as to be more easily referred to, making a complete and reliable guide published, and is indispensable to the professional and business man as well as to the traveller.

The meeting of Branch No. 52 of the C.M.B.A. on Wednesday evening last, was one of the largest ever held in the history of the Branch. The new regulations regarding the payments of assessment and dues were thoroughly explained by the officers. For the future no assessment notices will be sent to the members, but at the first meeting of

each month one assessment will have to be paid, the only exception being that for the months of March, July and November the assessments will be double ones. Every member will therefore now know exactly what he has to pay and when he has to pay it, which is a great improvement on the old plan and will no doubt tend to still further add to the popularity of this grand Catholic association. If there are any members who do not receive monthly the new official organ they should communicate with their Branch secretary.

HIS GRACE HOME AGAIN.

His Grace the Archbishop of St. Boniface returned from his extended trip to the East, on Saturday last. A representative of THE REVIEW was amongst those who were at the station when the train pulled in, and had the happiness of exchanging a few words with His Grace. We are glad to be able to inform our readers that notwithstanding the extensive travelling, and the amount of labor the Archbishop managed to get through during the time he was away, he comes home much improved in health, and declares that from that point of view the trip has been most beneficial. With regard to the all-important school question he stated he had nothing to say so far as the action of either the local or the Dominion Governments, or the attitude of the Governor General is concerned, but this much he could say, and that was that public opinion in the east is strongly in favor of justice being done to the Catholic minority on the lines laid down by the Privy Council.

How to Help the Paper.

There are numerous ways of assisting a paper apart from subscribing and advertising. If each reader who, having read an advertisement in our columns, goes to the store or establishment there-in mentioned to make a purchase would be good enough to inform the proprietor thereof that he came on account of the notice that appeared in THE NORTHWEST REVIEW, he would be rendering the paper a very great service and at no cost to himself. We specially request our friends to take a glance over our advertising columns; they will find almost everything that they may require mentioned in those notices. We are anxious that the merchants and others who patronize us by advertising with us, should receive in turn the patronage of our subscribers.
