TESTIMONIALS.

MONTREAL, QUE., Nov. 15th, 1883.

I hereby certify that I have analyzed and tested the material called "White Bronze," manufactured for monumental purposes by the St. Thomas White Bronze Monument Company, and I find it composed, as represented, of refined Metallic Zinc, of a very superior quality to sheet zinc, and almost absolutely pure. Its great durability under all exposure to weather and storm is therefore fully assured by its high quality. And it will resist decay and further oxidation when its surface is once coated. It is then more durable than stone, and will not lose its handsome appearance from generation to generation. I know of no other material which is equally capable of combining elegance of form, beauty of surface and indefinite durability.

WHAT IS CATARRH?

From the Mail (Can.) Dec. 15.

Catarrh is a mucous-purulent discharge caused by the presence and development of the vegetable parasite amoeba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are:—Morbid state of the blood, as the blighted corpuscle of urberole, the germ poison of syphilis, mercury, toxomoc, from the retention of the effeted matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces, or back of the throat, causing ulceration of the throat; up the eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness; usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death.

Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ingenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue. So as time since a well-known physician of forty years' standing, after much experimenting, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers,

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 3, 1883.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy. While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases.

J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.

GUIZOT'S HISTORY OF FRANCE.

With 426 Fine Illustrations. Eight beautiful volumes, small octavo, cloth, gilt tops. Price reduced from \$49.50 to \$8.00, postage \$1.20.

THE BEST. This is the only complete American edition of this work, which is known as the best popular history of France. —Journal, Indianapolis, Ind.

MACAULAY'S PEER Guizot is the Macaulay of the history of France. His narrative is full of emotion, like a quick stream; his characters rise before us as in the flesh; they are men and women, not historic lay figures. It is as charming as any romance. There is only one draw-back . . . it seems more like getting a present than making a purchase." —Dominion Churchman, Toronto.

CIPHERED OVER. "From the pen of a master. How Mr. Alden can give the eight volumes, and this on good paper, and clear type, including the multitude of illustrations, is a thing we have ciphered over, but we fail to understand it." —Christian Leader, Boston.
