

3. The payment for shares repurchased by the Bank under this Article shall be governed by the following conditions:

(i) Any amount due to the country concerned for its shares shall be withheld so long as that country, its central bank or any of its agencies, instrumentalities or political subdivisions remains liable, as borrower or guarantor, to the Bank and such amount may, at the option of the Bank, be applied on any such liability as it matures. No amount shall be withheld on account of the contingent liability of the country for future calls on its subscription for shares in accordance with paragraph 5 of Article 6 of this Agreement. In any event, no amount due to a member for its shares shall be paid until six (6) months after the date on which the country ceases to be a member.

(ii) Payments for shares may be made from time to time, upon surrender of the corresponding stock certificates by the country concerned, to the extent by which the amount due as the repurchase price in accordance with paragraph 2 of this Article exceeds the aggregate amount of liabilities on loans and guarantees referred to in subparagraph (i) of this paragraph, until the former member has received the full repurchase price.

(iii) Payments shall be made in such available currencies as the Bank determines, taking into account its financial position.

(iv) If losses are sustained by the Bank on any guarantees or loans which were outstanding on that date when a country ceased to be a member and the amount of such losses exceeds the amount of the reserve provided against losses on that date, the country concerned shall repay, upon demand, the amount by which the repurchase price of its shares would have been reduced if the losses had been taken into account when the repurchase price was determined. In addition, the former member shall remain liable on any call for unpaid subscriptions in accordance with paragraph 5 of Article 6 of this Agreement, to the same extent that it would have been required to respond if the impairment of capital had occurred and the call had been made at the time the repurchase price of its shares was determined.

4. If the Bank terminates its operations pursuant to Article 45 of this Agreement within six (6) months of the date upon which any country ceases to be a member, all rights of the country concerned shall be determined in accordance with the provisions of Articles 45 to 47 of this Agreement. Such country shall be considered as still a member for purposes of such Articles but shall have no voting rights.
