

ANNEX

Route Schedule

I. Routes to be operated by airlines designated by the Federal Republic of Germany:

Points of Departure	Intermediate Points*	Points in Canadian Territory	Points Beyond*
Any point or points in the territory of the Federal Republic of Germany	Any point or points on the route between the Federal Republic of Germany and Canada	Montreal	(a) Los Angeles, Mexico City, Guadalajara or Merida. (b) Boston or New York or Philadelphia**

II. Routes to be operated by airlines designated by Canada:

Points of Departure	Intermediate Points*	Points in the Territory of the Federal Republic of Germany	Points beyond*
Any point or points in the territory of Canada	Any point or points on the route between Canada and the Federal Republic of Germany	Frankfurt	(a) Vienna (b) Three points to be determined by Canada

III. A designated airline may, if it so desires, omit one or more of the points on the established routes, provided that the point of origin of a route lies in the territory of that Contracting State which has designated the airline.

* No traffic rights shall be exercised between any of the intermediate points or the points beyond, on the one hand, and points in the territory of the other Contracting State on the other hand.

** It is understood that the rights in I(b) shall not be exercised until Canada has determined one of the three points in II (b); pending such determination the rights in I(b) may be exercised immediately only for a once-weekly all-freighter service.
