The International Commission for

Supervision and Control in Vietnam made its

First Interim Report covering its activities from 11th August to 10th December, 1954.

2. This is the Second Interim Report of the Commission containing a summary of its

activities from 11th December, 1954, to

10th February, 1955, and a review of the

progress made by the two parties in the

implementation of the Agreement and should

be read along with the relevant Chapters of

the First Interim Report.

CENTRAL VIETNAM PROVISIONAL ASSEMBLY AREA

4. The Commission has decided that it cannot support the request made by the French High Command that the High Command of the P.A.V.N. should, in addition to the territories in the Central Vietnam provisional assembly area from which they have withdrawn, withdraw from further territory and transfer it to the High Command of the French Union Forces at the end of the 300-day period. While commending this decision to both parties, the Commission has asked them, in the interest of smooth and orderly transfer of power, to discuss details of withdrawals and transfers in these areas in advance and to make detailed plans and indicate these to the Commission so that it can make effective arrangements for supervision of these withdrawals and transfers through its Mobile Teams in accordance with the task assigned to it under Article 38(a) of the Agreement.
