

Table 1 -- Acceptance of legal but controversial reporting behaviors (percentage saying behavior is "sometimes justifiable")

	Anglophones	Francophones
Using hidden micro-phones or cameras to obtain news	65%	64%
Reporting the criminal record of someone police say is a murder suspect	58%	70%
Using re-creations or dramatizations of news events by actors	59%	55%
Accepting free travel from a firm to cover an event in which the firm has a stake	24%	35%
Agreeing to keep a news source's identity confidential but failing to do so.	05%	04%
