

Mr. Poulin, from the Standing Committee on Justice and Legal Affairs, presented the Sixth Report of the Committee, which is as follows:

Pursuant to its Order of Reference of Thursday, December 12, 1974, your Committee has considered Bill C-43, An Act to amend the Law Reform Commission Act, and has agreed to report it without amendment.

A copy of the Minutes of Proceedings and Evidence relating to this Bill (*Issue No. 13*) is tabled.

(The Minutes of Proceedings and Evidence accompanying the Report recorded as Appendix No. 36 to the Journals).

The House resumed consideration of the motion of the honourable Member for Joliette, proposed on Tuesday, December 17, 1974;

RULING BY MR. SPEAKER

MR. SPEAKER: On the last point raised by the Minister perhaps I should retrace what has taken place in respect of the motion. The first time the question was raised was after the honourable Member had made his remarks. At that point I deferred the motion and the consideration of the question of privilege until the following Monday. Because the honourable Member was not in his place, I again deferred it until Tuesday, at which time the House Leader of that party, the honourable Member for Lotbinière (Mr. Fortin) said he was prepared to have the matter discussed at that time. Under those circumstances I feel the House has extended to the honourable Member for Témiscamingue (Mr. Caouette) every opportunity to discuss the motion.

Mr. La Salle, seconded by Mr. Baldwin, moved,—That the charge made by the honourable Member for Témiscamingue, namely that honourable Members bribed reporters from the Press Gallery, be referred to the Standing Committee on Privileges and Elections.

And the question being put on the motion, it was agreed to on the following division:
