

S. O. 29

As a western Canadian, it is my view that the selling off of our resources to the Americans will continue to keep us captive of the forces that will keep us on the boom and bust treadmill forever and ever. Until we as western Canadians get control over our own destiny, we will never be free of the boom and bust cycle. As a western Canadian, I am opposed to Dome Petroleum being handed over to Amoco Corporation of Chicago.

I thank you, Mr. Speaker, for your indulgence in giving me this opportunity to make a contribution to this debate. I wish

you a good night, and I wish the Canadian people a good night.

The Acting Speaker (Mr. Paproski): It being past twelve o'clock midnight, pursuant to Standing Order 29(13), I declare the motion carried. The House stands adjourned until later this day, at eleven o'clock a.m., pursuant to Standing Order 3(1).

The House adjourned at 12.35 a.m.
