Legislative Committee of County Discusses Accident Liability.

Owner Liable.

The legislative committee of the county council has decided to send a deputation to wait on the lieutenantgovernor-in-council with regard to the governor-in-council with regard to the appointment of a police commission, and at their meeting yesterday Messrs. Pugsley, Keith and Ramsden were deputed to recommend a county judge and police magistrate to act on the commission.

Want Speed Limit. The committee discussed the question of repair of the county bridges and the liability in case of damage. A resolution was passed that the November session of the county council consider an amendment to the Highways Act to prevent damages to high-

ways and bridges by motor vehicles and to fix a speed limit.

Just Ten Tons.

Application will be made to the legislature to amend the Highways Act so that the weight of a mtor truck shall not exceed ten tons and that the owner be held responsible for any demonstrations and that the owner be held responsible for any demonstrations and that the owner becaused they arriving of damage incurred thru the carrying of more than the above weight.

Would Amend Act.

The chairman, Reeve Keith, was in-

structed to ask the co-operation of the adjoining counties and cities to make a change in the Assessment Act re-garding the taxation of religious and ducational institutions in the county.

NEWMARKET LIBERALS INAUGURATE NEW CLUB

The Newmarket Liberal Club was inaugurated last night at a well-attended meeting in the Temperance Hall. Charles McCaulay was elected president, Fred Doyle and W. H. S. Cane, vice-presidents; William Dolansecretary, and P. W. Pearson, treasurer. After the election of officers. J. M. Walton addressed the meeting on the ethics of Liberalism and urged

The Hon. W. Holdon Pugsley Tells All About It and Adam's Big Car.

The Hon. William Holdon Pugsley of the highway commission was New Floor Has Been Completin town yesterday from Richmond Hill and partook of a hearty dinner at the Clyde. He told The FIX SPEED AND WEIGHT

Telegram that the Don bridge, which had collapsed under Sir Adam Beck's H.E. motor truck, was "a new bridge, sufficiently strong for ordinary traffic." He followed by suggesting that Sir Adam's truck must have had about ten tons aboard, and that these heavy motors should be regulated by law as to weight. This latter is true, but Sir Adam's truck weighs less than the cross beams.

Telegram that the Don bridge, which had collapsed under Sir Adam Beck's H.E. motor truck, was "a new bridge, sufficiently strong for ordinary traffic." He followed by suggesting that Sir Adam's truck must have had about ten tons aboard, and that these heavy motors should be regulated by law as to weight. This latter is true, but Sir Adam's truck weighs less than 10-inch material and the cross beams. law as to weight. This latter is true, but Sir Adam's truck weighs less than three tons and had on a load of less than two tons, not five tons in all.

Neither is the bridge new; and it has not been planked or repaired, or the timbers inspected for the three years it has been in the highways commission's hands. The plank floor had been worn wafer-thin and the sills beneath were rotten.

Monday. The flooring is 3 inches by 10-inch material and the cross beams below 4 by 12. These beams are supported every 18 feet by a cross steel beam. Engineer James (highway commission's hands. The plank floor had been worn wafer-thin and the cross beams below 4 by 12. These beams are supported every 18 feet by a cross steel beam. Engineer James (highway commission's hands. The plank floor had been worn wafer-thin and the cross beams below 4 by 12. These beams are supported every 18 feet by a cross steel beam. Engineer James (highway commissioner) states that the bridge will now bear a maximum weight of 8 tons.

the sills beneath were rotten.

Stirred to Action.

After the accident and the attention

to the neglect of the bridge by the township, county and commission, somebody got busy, presumably Mr. James. the commission's engineer, and the bridge was temporarily repaired; on Thursday several loads of new plants, and sills may be also be a sent and sills may be a sent and sills and sills may be a sent and sills may be sent and sills may be a sent and sills may be a sent and sills m new planks and sills were sent out and now a gang is putting in all new-timbers. That's the answer to Bill. If the Hon. Bill said what the paper makes him say, "as for the condition of the Don road, there is no room for complaint," he is not fit to sit on the nmission. It is in a most dangerous

complaint," he is not fit to sit on the commission. It is in a most dangerous condition, and any night a motor load of people may be hurled to death on DeGrassi Hill on that road because of its dangerous shape.

Avoid Taking Risk.

As to the Hon. Bill's statement about the amount of traffic on the Don road, it is true that it is not so much as on Yonge street, but if so, it is so because traffic will not take the risk of DeGrassi Hill.

Eminent counsel in the person of Allan Royce has been retained to go after William and his colleagues and their engineer, in order to make them fix up the road and make it measurably safe. The Hon. William took the evening car for Richmond Hill after a hard day's work at the offices of the commission. Nevertheless Bill is still true to Bir James, and when he and his colleagues heard of the pain their slow action had caused the Grand Old Man of Ontario they got busy.

Rev. J. H. Edmonson presided over the induction ceremony.

EARLSCOURT NEWS

BUILDING IS BRISK IN SEVENTH WARD

Residences.

The building business, which received its impetus for the summer in ward seven at the beginning of this month, continues to be brisk, and many large items have recently been added to the list of permits. One was issued yesterday to the H. P. Le Page Company for the erection of a four-storey brick, steel and concrete factory at 1150 Dundas street, which will cost in the neighborhood of \$40,000. The same company is erecting a coal shed nearby costing \$800.

Several Residences.
In addition to this several large residences will help to swell the total.
Among these are noticed a house among these are noticed a house about to be built by James Wilson on High Park Gardens, costing \$14,000; a 2 1-2-storey dwelling which W. W. Carter is erecting on High Park boulevard, costing \$8000, and a house by A. Kelly on Glendonwynne Drive, near Evelyn avenue, costing \$3500.

Royal Templars.

Toronto Junction Council, Royal Templars of Temperance, held a well-attended meeting in St. James' Hail

last night and received several new members. Preparations were made for the picnic which the council are hold-ing in High Park, near the Bloor st. entrance, this afternoon, and in which the newly organized Runny-mede Council will join them.

The funeral of William Kenneth Bunt, the eight-year-old son of Mr. and Mrs. Bunt, Western avenue, who was drowned in the Humber on Tuesday last, took place to Prospect Cemetery at 3 o'clock, a large number of relatives and friends being present. Rev. Mr. Daniels of St. Anne's Church, Runnymede, officiated

Safety in Summer

Safety in Summer comes from a wise selection of easily digested foods which supply the maximum of nutriment with the least tax upon the digestive organs. Food follies in Summer lower vitality and decrease efficiency. The ideal diet for the sultry days is

with fresh fruit and green vegetables, a combination that is cooling and satisfying, supplying all the strength needed for work or play. The world's universal, staple breakfast cereal. Ask your grocer.

Always heat the Biscuit in oven to restore crispness; then pour over it milk or cream, adding sait or sugar to suit the taste. Deliciously nourishing for any meal in combination with berries or other fruits of any kind. Try toasted Triscuit, the Shredded Wheat Wafer, for luncheon with butter, cheese or marmalades.
