to the side and there was only the goaler to beat. Seldom did the Dynamite Twins use the body.

Tommy Smith is just a trifle shy on condition. He went well in spots, but Denneny and Skinner didn't get the hang of things at the start, and failed to feed him at the goal mouth. The two new youngsters were green, and the Wanderer forwards knew how to fool them. Denneny and Skinner will improve, and they learned a lot Saturday night.

In six-man hockey the forwards take the shortest route to the nets to score goals, but the new forwards of the Ontarios were just a trifle shy on the tricks and did a lot of needless circling. They only checked back in spots. Wanderers broke tast and generally with three men across the ice. They left the Ontario forwards behind and only had the defence to beat.

It was a squad that had team-work from the lost perfection against six men that hardly knew each other's style of play.

Andy Kyle Sparkled.

Andy Kyle, the local boy, got a chance in the last period, when George McNanara retired. He livened things up with the starting and earnest tehecking.

MONTREAL, Dec. 27.—Showing superior condition and combination play he champion Torontos won their first match of the N.H.A. schedule season when they trimmed Canadiens at the Arena Saturday night, 4 to 3, after a grueling contest. The quality of hockey served up by the champions and rumers-up of a year ago, was surprisingly good for the first of the season and did not drag at any time. The players cut out a killing pace in the early stages, and the Frenchmen had to make frequen changes in an effort to keep a fresh team on the ice at all times. This was where the winners had the edge on the locats, as they were able to send in more experienced and finished players as substitutes the text of the season and did not drag at any time. OPENING GAMES RIVERDALE RINK

St. Josephs Beat Kew Beach, Dons and St. Francis Tie--Exhibition Games.

Two good exhibition games, played by teams from the Beaches Hockey League were seen at the initial opening of the Riverdale Hockey Rink. The new arena in the east end has a splendid sheet of ice and the lighting is excellent. Both games were fast, and the new rule of twenty minutes three ways had both teams working tooth and nail to win. The first game was, possibly, the best, as the teams played a little more combination. St. Josephs won out by the score of 5 to 4 after a nip-and-tuck finish. Kew Beach were coming hard at the final bell, but they lacked one goal. In the first half they showed better combination, but in the second half Hill broke away often and combined well on the forward line. Bill Brown was always up on the play for east enders. The teams lined up as follows:

St. Josephs (5)—Goal Sullivan; defence, Artkins and Perry; rover, Hill; centre, Powers; right wing, Howarth; left wing, Junton.

Powers: right wing, Howarth; left wing, Quinton.

Kew Beach (4)—Goal, Lafleur; defence, Maxwell and Riddell; rover, St. Clair; centre, Thompson; right wing, Ferriman; left wing. E. Randall; spares, Bennis, Williams, Raine.

Referee—Lew Brown.

The second game saw Don Rowing Club tackle St. Francis, and they played to a tile of 2 to 2, Both teams were battling from the start, rand it turned out to be be a strenuous game. The teams:

Dons (2)—Goal, Gauld; defence Dibble and Birney; rover, Chapman; centre, B Cousins; right wing, C. Cousins; left wing, Ingham; spare, Cheney.

St. Francis (2)—Goal, Flower; defence, J Finley and Boyle; rover, Murphy: right wing, Bennett; left wing, Lawrence.

Referee—Fred Waghorne.

A fair-sized crowd was on hand, and this is but the start of some real good hockey in this series. For early-season form the play was very fast.

On Tuesday night at Riverdale Hockey Rink the Broadview Intermediate O H A team will play an exhibition game with the Riversides, Senior O.H.A. outfit Riversides will have their regular line-up, and Broadviews promise to uncover some real good talent. This will open the rink as far as O.H.A. hockey goes, and a good crowd is expected. The rink is long and will tire the best of men.
