

7. Nothing in this section shall affect the right of any company to operate, maintain, renew or reconstruct underground or overhead systems or lines heretofore constructed, except that upon application of the municipality the board may order any extension or change in location of the line of the company in any city, town or incorporated village, or any portion of such line, or the removal of any poles and the carrying of the wires or cables carried thereon underground, or the construction of any new line, such extension, change in location, removal or construction to be ordered upon such terms as to compensation or otherwise, and to be effected within such time, as the board may direct.

Mr. LANCASTER. In subsection 2 (a) I would suggest to the minister, that he should insert the word 'municipality' instead of 'city, town or incorporated village'. Otherwise quite a number of large villages would not come under the section.

Mr. EMMERSON. I quite agree, but I think that is a matter that might fairly be dealt with by the special committee. I propose that the clause 7 (a) be carried and that the Bill be then referred to the commission.

Mr. R. L. BORDEN. You had better let that stand.

Mr. LANCASTER. We will go into committee on this Bill again, after it comes back from the special committee?

Mr. EMMERSON. Yes. I move that the committee rise and report progress, and ask leave to sit again.

Motion agreed to.

Mr. EMMERSON. I beg to move:

That the order for Bill (No. 62) be discharged, and:

That clauses 22 to 29, both inclusive, of Bill (No. 62), an Act to amend the Railway Act, 1903, be referred to a select committee composed of Messrs. Sir Frederick Borden, Geoffrion, Johnson, Monk, Ross (Yale-Cariboo), Alcorn, Ingram, Maclean (S. York), Bureau, Zimmerman and the mover, to consider the said clauses, with power to send for persons, papers and records, to examine witnesses under oath, and to report from time to time.

Mr. W. F. MACLEAN. Might I ask if it is the intention to refer a couple of public Bills and Orders, numbers 31 and 34, to the same committee?

Mr. EMMERSON. That is to be considered later.

Motion (Mr. Emmerson) agreed to.

At six o'clock, House took recess.

After Recess.

House resumed at eight o'clock.
