Division Court Clerks' Association of Ontario.

Penetanguishene, February 25th. 1887.

DEAR SIR:—

In accordance with the request of our President, I would beg to call your attention to the following:

1st. To those who are already members, I would say that the term of their subscription is expired and would ask them to renew at once. Fee \$1, on receipt of which proper receipts will be sent.

2nd. To those who have not already joined the Association, I would appeal to do so at once, asking them to remember the fact, that the Association is working for the interests of all, and that it is not fair by any means that a few should bear the brunt and expense of the work, whilst the whole reap the benefit, and I am certain that it is not with any such intention that you have not already become members, but simply from the fact that you have overlooked the matter, and I now urge upon you on receipt of this to at once forward your subscription and become members for 1887, remembering that "Union is Strength."

I in conclusion say that our President has prepared a Bill of Amendment of the Division Court Act, which will shortly be taken into consideration by the Executive Committee and will then be presented at the coming Session of the Local Legislature, which if passed will be of great advantage to the D. C. Clerks, but as I have before said it is necessary in carrying on these objects that we should have the support of all the Clerks in Ontario.

Trusting to meet a prompt and hearty response to this,

I have the honor to be, Sir,

Your obedient servant,

H. Y. JENNINGS,

Séc.-Treas.

To.....
