

## Virgil's *Æneid*.

With Explanatory Notes. By HENRY S. FRIEZE, Professor of Latin in the State University of Michigan. Illustrated. 12mo, 598 pages.

The appearance of this edition of Virgil's *Æneid* will, it is believed, be hailed with delight by all classical teachers. Neither expense nor pains have been spared to clothe the great Latin epic in a fitting dress. The type is unusually large and distinct, and errors in the text, so annoying to the learner, have been carefully avoided. The work contains eighty-five engravings, which delineate the usages, costumes, weapons, arts, and mythology of the ancients with a vividness that can be attained only by pictorial illustrations. The great feature of this edition is the scholarly and judicious commentary furnished in the appended Notes. The author has here endeavored not to show his learning, but to supply such practical aid as will enable the pupil to understand and appreciate what he reads. The notes are just full enough, thoroughly explaining the most difficult passages, while they are not so extended as to take all labor off the pupil's hands. Properly used, they cannot fail to impart an intelligent acquaintance with the syntax of the language. In a word, this work is commended to teachers as the most elegant, accurate, interesting, and practically useful edition of the *Æneid* that has yet been published.

*From JOHN H. BRUNNER, President of Hiwassee College.*

"The typography, paper, and binding of Virgil's *Æneid*, by Prof. Frieze, are all that need be desired; while the learned and judicious notes appended, are very valuable indeed."

*From Principal of Piedmont (Va.) Academy.*

"I have to thank you for a copy of Prof. Frieze's edition of the *Æneid*. I have been exceedingly pleased in my examination of it. The size of the type from which the text is printed, and the faultless execution, leave nothing to be desired in these respects. The adherence to a standard text throughout, increases the value of this edition."

*From D. G. MOORE, Principal U. High School, Rutland.*

"The copy of Frieze's 'Virgil' forwarded to me was duly received. It is so evidently superior to any of the other editions, that I shall unhesitatingly adopt it in my classes."
