MONTREAL, Aug. 17.—In today's trading in listed securities on the stock exchange most of the paper stocks lost the greater part of yesterday's gains, the exceptions being Howard-Smith, up 6 points to 160, and Dorr, up 1 point at 202. Price Brothers, on a sale of 41 shares, jumped 20 points to 360, and Provincial Paper moved up 1 point to 144. The reactionary papers included Abitibi, Brompton, Laurentide and Wayagamack.

Stocks to score large gains were Atlantic Sugar, preferred, of which 80 shares sold at 170 to 175, the latter price representing a net gain of 8 points. The common made a maximum rise of 5 points to 145, but lost most of the advance, the final sale at 114 1/2 being a net gain of a fraction.

Other stronger stocks took in Canada Steamships, preferred, and Consolidated Smelters, both fractionally stronger, and Steel of Canada, also fractionally higher.

The largest losses were in Dominion Steel, which declined 1 point and St. Lawrence Flour, down 2 points.

Total trading: Listed stocks, 14,735 shares; bonds, par value, \$22,200.

Sprout, accountant; W. T. Jones, Henry G. Donley, students-at-law, and John A. Gleason, stenographer, of Toronto.

The members of the local lodge of the Knights of Pythias go to Port Stanley tomorrow to enjoy their yearly land and water demonstration.

W. M. McDonald, P. R. Williams and W. E. Ryckman are in attendance at the session of the high court of the I. O. F. in London.

O'Connor Case Over. The O'Connor case was disposed of today by County Magistrate Hunt who decided that while two families reside in a summer cottage, it is not a private dwelling. The charge of having a quantity of whiskey in a place that was not a private dwelling was preferred a week ago against William O'Connor of Hamilton, who had in his possession more liquor than was allowed by law. His brother-in-law, a Mr. Palmer, wife and children, occupied the cottage. Mr. Palmer, too, had some whiskey consigned to him. All the liquor was seized by Inspector Ross and confiscated. But before it had reached the department it was stolen from the L. and P. S. station. The liquor, so 'tis said, is still in cold storage at the lakeside. W. Meredith of London defended O'Connor and disagreed with the findings of the Magistrate. He will appeal. If the judge men holds good, Mr. O'Connor's notice to License Inspector Ross and the department, that he will sue for the return of the whiskey or its value in cash will apparently not avail.

Lights Undimmed. The first case to come before the county magistrate against an auto owner for having his lights without dimmers has been laid by Chief MacIntosh of Port Stanley, who charges L. Wood of St. Thomas with having lamps on pivots "which scatters the beams in all directions," and is contrary to the Ontario motor vehicles act.

Mr. Arick's knee was dislocated as well as being bruised about the body and receiving a serious shaking up. He was treated by a local physician.

Dump Nuisance Debated. The property owners on William street are again engaged to the chairman of No. 4 committee that it find a place for the objectionable material dumped on the square of the west end market. On an assurance given some months ago by the chairman of No. 4 committee that the brick, stone and refuse would be removed, action was delayed in having the market officials closer and the county reach a couple of trustees who would place the square under private supervision and regulation. The Horticultural Society is willing to assist in having the property made into a small park and an attractive playground for children. The M. C. R. too, will clean up the portion adjoining. No improvement can be made in the present condition of the square. The chairman of No. 4 committee will be asked once more to move the dump. Failing, the property owners interested say they will move to have the objectionable collection removed.

### GALT COUNCILLOR RESIGNS AFTER STORMY SESSION

Ald. Clark Added Name To Street Paving Petition—Trouble Followed.

GALT, Aug. 17.—After three weeks' vacation the Galt City Council got back to work tonight and the session was marked by another fireworks display as an aftermath of the Beverly street paving question. At the last regular meeting Ald. S. L. Clark, in a written statement, admitted he had signed the name of Galt to the petition, believing he had the right to do so, and announcing his intention of resigning at the next regular meeting.

When his resignation was not forthcoming tonight, Ald. McLane inquired if it was in his hand, and when informed that he was surprised, Ald. Clark in reply stated that since the last meeting there had been developments which had made him change his mind and he still had it under consideration. He stated that he had reluctantly inserted the cause consenting to resign.
