## CHAMBER OF COMMERCE CALLS ON DR. STEVENSON TO SPONSOR THE W. U.

To assist the Western University in  
its fight to secure proper recognition  
from the royal commission on uni-  
versity finance appointed by the Pro-  
vincial Government, the directors of the  
local Chamber of Commerce drew up  
and unanimously adopted the following  
resolutions. A copy of the resolutions  
will be forwarded immediately to Dr.  
H. A. Stevenson, M. P. for London.  
"Whereas the Government of the  
Province of Ontario have appointed a  
royal commission on university finance  
to consider the relative claims for finan-  
cial assistance to Queen's University,  
Kingston, the University of Toronto and  
Western University, and this commis-  
sion will shortly submit its recom-  
mendations to the Legislative Assembly;  
therefore, be it resolved that the di-  
rectors of the London Chamber of Com-  
merce desire to call the attention of  
Dr. H. A. Stevenson, M. P., to these  
facts and respectfully request him to  
take high grounds regarding the edu-  
cational policy of the province, as fol-  
lows:  
"That it is in the interest of all parts  
of the province that a policy of decen-  
tralization in university affairs be car-  
ried out."  
"That the recommendations of the  
royal commission, appointed by the  
Government, should receive careful con-  
sideration."  
"That Western University of London,  
Ontario, because of the pressing educa-  
tional needs of Western Ontario, and  
because of the service it is prepared  
to render to all classes of the people in  
this part of the province, should receive  
the assistance necessary to provide ade-  
quate equipment and teaching staff."

work between the provinces is nec-  
essary, he said.  
The Canadian Council of Agriculture  
formed in 1909 is a great help toward  
securing this co-operation, he stated.  
By entrance into the federal political  
field they expect to attain economic re-  
form through the national policy, the  
underlying feature of which is the  
development first of the basic industries.  
First of all classes of the people in  
this part of the province, should receive  
the assistance necessary to provide ade-  
quate equipment and teaching staff."

DEVELOP BASIC INDUSTRIES.  
The tariff commission he characterized  
as a "passing show," noted for the "af-  
fable cynicism and polished sarcasm of  
its chairman." The proposed retaliation  
from Ottawa to any protective measure  
adopted by the United States, he said,  
was wrong, and that the Government  
is merely waiting for the United States  
to throw into its lap a political prize  
pocket in the way of great protective  
measures.

grocery shower for the benefit of  
the day nursery netted supplies to the  
value of \$15 or \$20. The report from  
the relief committee was also encour-  
aging. The Riverview Club, organized  
under Mrs. Harding four years ago,  
was the first to undertake this kind of  
work. Six families are now being cared  
for. Twenty-five new members joined  
the club last night.  
A vote of thanks to those taking  
part was passed on motion of Mrs.  
Charles Turner. Refreshments were  
served at the close of the gathering.  
The Riverview Club was invited to pay  
a return visit to the Chesley Avenue  
Club next month.

BOYLE MEMORIAL M. C.

Mothers' Club held last night at the  
school, the chief subject which came  
under discussion was the milk depot,  
which has been established at the  
school for the last two weeks. Already  
27 quarts of milk are being distributed

## CLOVER HAY TAKES ANOTHER DROP

Demand for Oats Falling Off—  
Shipment of Live Hogs.

With 21 loads of hay offered at the  
local market on Tuesday the demand  
today was considerably lower. Clover  
hay appeared to be in demand than  
timothy, and the result was that the  
prices fell to \$24 and \$25 per ton. Tim-  
othy remained at \$24 and \$25 per ton.  
Several loads were sold Wednesday.  
The demand for oats was also easier.  
Per hundredweight they sold for \$1.50,  
and by the bushel 54 cents.  
The prices of \$14 and \$15.50 per hun-  
dredweight for live hogs remained for  
the shipment to Toronto Wednesday,  
although officials say prices may be  
easier.
