Total amount of special subscriptions.....\$816 76  
 (Over \$490 of the above sum was collected by Rev. D. Pomeroy.)

NOTE.—There is a large amount due on subscriptions procured by Rev. J. Gardiner, statements of which may be found in the various Circuit registers. All sums promised and not paid to Rev. D. Pomeroy are also now due. Special attention to the collection of these amounts would give us valuable aid, which we very much need. The total amount of indebtedness incurred in connection with our Manitoba work is about \$7,000. The collection of subscriptions overdue and a general effort to increase revenue would at once liquidate this amount.
