FAWCETT FOUNDRY IS NOW PREPARING TO MAKE SHELLS

Some eight or ten castings of machinery have arrived lately for the Fawcett Foundry, Sackville, for shell-making purposes, and two or three more castings are expected. The machines are being set up as rapidly as possible, but it will likely be some time yet before the actual work of making shells is under way. The new machines will give employment to a good many extra hands.

Natives of India Loyal
Mrs. William Hasen, a returned missionary from India, who is visiting in St. John, delivered an interesting address in the Waterloo street Baptist church last evening. In her discourse she pointed out the loyalty of the inhabitants of India to the Empire. She said the native press is calling for recruiting campaigns.

Acid Stomachs Are Dangerous

"Acid" stomachs are dangerous because acid irritates and inflames the delicate lining of the stomach, thus interfering and preventing the proper action of the stomach, and leading to probably nine-tenths of the cases of stomach trouble from which people suffer. Ordinary medicines and medicinal treatments are useless in such cases, for they leave the source of the trouble, the acid in the stomach, as dangerous as ever. The acid must be neutralized, and its formation prevented, and the best thing for this purpose is a teaspoonful of "Bismarck's" Bismarck, a simple antacid, taken in a little warm or cold water after eating, which not only neutralizes the acid, but also prevents the fermentation from which acid is developed. Foods which ordinarily cause distress may be eaten with impunity if the need is followed with a little Bismarck, which can be obtained from any druggist, and should always be kept handy.

BRODERICK-LANDRY
A pretty wedding took place this morning at St. Joseph's, N. B., when Miss Annie Hatfield Edgett, only daughter of Mr. and Mrs. John Edgett, former residents of St. John but now of Winnipeg, to Alfred H. Williams, eldest son of the late J. A. Williams and Mrs. Williams, of Winnipeg, only the relatives and immediate friends being present. The bride was given away by her brother, and the nuptial ceremony was performed by Rev. Joseph Broderick, of Springfield, Mass., brother of the groom. They will reside in Worcester.

RECENT WEDDINGS
Winnipeg, Aug. 5—A wedding of interest to St. John friends was that of Miss Annie Hatfield Edgett, only daughter of Mr. and Mrs. John Edgett, former residents of St. John but now of Winnipeg, to Alfred H. Williams, eldest son of the late J. A. Williams and Mrs. Williams, of Winnipeg, only the relatives and immediate friends being present. The bride was given away by her brother, and the nuptial ceremony was performed by Rev. Joseph Broderick, of Springfield, Mass., brother of the groom. They will reside in Worcester.

Many St. John friends will be interested in a marriage ceremony solemnized at the Church of the Holy Trinity, Paris, France, yesterday, when Ernest Turnbull Alward, son of Dr. and Mrs. Elias Alward, of this city, was united in marriage to Miss Violette Evelyn, eldest daughter of Albert E. Gladstone, of Malmesbury, Paris. The groom is an electrical engineer practicing his profession in Montreal, and the marriage comes as a romantic sequel to a visit he paid to Paris last summer just before war broke out.

Three recruits arrived from Westchester Tuesday.
