Just as a young lady entered one of our pay-as-you-enter cars an old gentleman sitting at the other end got up from his seat. "O, no, really I couldn't think" said the blushing maiden.

"I really don't interrupt," I should feel so terribly selfish and "I expostulated the damsel, as she waved the courteous passenger back to his seat. "But madam, I insist on—" continued the old gentleman, rapidly growing purple in the face.

"In fact I—" said "beau"; with the sweetest of smiles.

"Can't you see, madam, that—" said the old gentleman, lucubry.

"It's very charming of you, but really I can't stand it—" said the young lady firmly, as she proceeded to "strap-hang."

"You are perfectly at liberty to do just as you like about that, miss," said the old gentleman, advancing toward the door, "but I want to get out."
