

MAKES HIS WILL, DIVES TO DEATH BENEATH TRAIN

New York News Stand Proprietor Gives Girl \$10,000

NEW YORK, Sept. 30.—F. T. Hayes, proprietor of a news stand at the northwest corner of eighty-sixth Street and Broadway, whom neighbors had considered eccentric for several months, tore a cardboard placard from his stand and with a stub of a pencil hastily scrawled his last will. Then he ran into the Seventy-ninth Street station of the West Side subway and jumped head-first under an incoming local train. He was decapitated.

Hayes who had been a regular patron for years of the Keith Theatre at Eighty-first Street and Broadway, sent his inchoerent will to E. T. Goodman, assistant manager of the theatre, by a boy just before he ran to the subway. The will left \$5,000 to Goodman and \$5,000 to Miss Stevenson, cashier of the theatre, to whom Hayes had given motion picture and other magazines for months.

James Dugan, 503 West Fifty-ninth Street, an employee at the stand, said that Hayes had been irrational for some time, but had never spoken of committing suicide. Miss Stevenson

PILL-SLAVE FREED FROM CONSTIPATION

Kellogg's ALL-BRAN brought natural relief in a few weeks

A remarkable, convincing tribute is paid Kellogg's ALL-BRAN in this letter from Mr. F. C. Amineen:

"I suffered with chronic constipation for many years and was compelled to use pills every night, but since I got your Kellogg's ALL-BRAN it works fine. I would not be without it. I was so deadened by taking pills every night. Now it is so different. Kellogg's ALL-BRAN works so naturally and is pleasant to take."

F. C. Amineen (Address on request)

You can get permanent relief from constipation with Kellogg's ALL-BRAN if eaten regularly. Two tablespoons daily—or in chronic cases, with every meal. Doctors recommend it because it is ALL-BRAN. It does a job only ALL-BRAN can do. Part-bran products may not do any good at all.

Get Kellogg's ALL-BRAN with milk or cream. Use it in cooking. Try the recipes given in the package. Kellogg's ALL-BRAN is made by Kellogg in London, Canada. Served by the leading hotels and restaurants. Sold by grocers.

The Coffee Exquisite

It foams

A mouth wash too

The surprising after-foaming mouth freshness which Minty's Tooth Paste leaves, is due to the amazing cleansing action of the pleasantly bubbling foam. Minty's is more than a tooth paste. It's a mouth wash too.

Florida Storm Sweeps Boats Quarter Mile Inland

The tremendous force of the storm which devastated much of Florida and parts of the Gulf Coast is vividly illustrated by the glimpse of the storm's aftermath in one of the principal streets of Miami. Boats from the shores of Biscayne Bay, a quarter of a mile away, swept into the heart of the business section, are shown there in the receding waters.

NEW BRANCH OF RED CROSS IS ORGANIZED

Mrs. W. H. Smith President of Society Formed at Warral This Week

A new Red Cross Branch was formed at Warral on Monday, when Miss Ethel Haas Jarvis, provincial secretary, visited that centre and completed the organization of the new body and presented the charter. Mrs. W. H. Smith was elected president and Mrs. J. A. Trott was named provisional secretary and Mrs. Muir and Mrs. Charles Kirkpatrick were elected vice-presidents.

Additional members of the executive appointed were Mrs. F. R. Jones and Mrs. C. E. Smith. The organization meeting was held at the home of the president and the members planned to take up the work of the society immediately. A group photograph of the charter members was taken on the lawn.

The new branches at Warral and

Oromocto and the new Red Cross Auxiliary in connection with the Women's Institute at Hoyt Junction, are to a great extent the outcome of the successful home nursing classes conducted in those localities under the auspices of the Red Cross Society.

FOR Stomach Acid PHILLIPS' Milk of Magnesia

Instead of soda hereafter take a little "Phillips' Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

BETTER THAN SODA

For fifty years genuine "Phillips' Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in

the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gas. Besides, it neutralizes acid fermentations in the bowels and urges this souring waste from the system without purging. It is far more pleasant to take than soda.

INSIST UPON "PHILLIPS"

Each bottle contains full directions. Any drugstore.

"POSITIVE AGITATION"

ALMOST every manufacturer believes and claims his product to be best. Electric cleaner manufacturers are no exception.

But today there is a new test of the latest and most efficient development in electric cleaners which you can apply yourself.

To the salesman, or the dealer, or the manufacturer who waxes eloquent over the superiorities of his cleaner simply say, and insist: "Show me the Agitator."

We feel this is the test of the genuinely modern cleaner. We know that the new and greater Hoover, equipped with the Agitator shown above, surpasses even the celebrated standard-design Hoover in these important particulars:

- 1 For the first time, it makes
- 2 By actual test in the ordinary cleaning time, it beats out and sweeps up from the carpeting an average of 131% more dirt.
- 3 It is an even greater rug-saver; the softer a carpet is cleaned with a Hoover the longer that carpet will wear.
- 4 It is virtually service-proof, every part, including the new motor, requiring no oiling.
- 5 It increases the efficiency of its remarkable dusting tools because of its 50% stronger suction.
- 6 Its exclusive dust- and germ-proof bag is now washable.
- 7 Its form and finish are of startling beauty; and every

REVOLT REPORT DENIED.

VIENNA, Sept. 30.—A spokesman for the Albanian government here informed the United Press that reports of a revolution in Albania were "pure invention."

He said he had received a telegram from Tirana saying that the week-end activity of bandits had caused prejudiced sources to circulate revolution reports.

WHEREVER THERE ARE FLIES USE FLY-TOX

Developed at the Foremost Scientific Research Institute of its kind in the world.

It takes but One Germ from One Fly to sicken and destroy

FLY-TOX

Kills FLIES, MOSQUITOES, 10 MOTHS, ROACHES, ANTS, FLEAS

"What Makes It So Wonderful?"

Naturally, the question follows the utter astonishment of hearing the new Orthophonic Victrola for the first time.

COMPARED with the enchantment of actual performance,—explanation seems futile. Yet, humans are curious. The query persists: "What makes Orthophonic Victrola music so captivating?"

First, there is the revolutionary new acoustic principle. Second, there are the things it only,—of all reproducing instruments,—accomplishes. The Orthophonic Victrola reproduces the bass sounds as they should be heard. Harshness,—it does not know. Piano notes are maintained for their true duration.

Organ music has full organ resonance. Dance music rhythm is compellingly faithful to its original. Vocal harmony parts are clear and distinguishable from one another. Diction is natural as life. All tones have their true proportionate values. The result is beauty that matches the original, tone for tone.

There is yet a third reason for the wonder of this peer of instruments. It is a Victor Product! Your nearest "His Master's Voice" dealer can transform your interest into conviction today.
