DECIDE TO REOPEN RYAN INVESTIGATION

That the inquiry into the charges preferred by J. P. Ryan in connection with the construction of the Water main to Spruce Lake would be reopened was a decision reached at a meeting of the common council held yesterday afternoon. The first business was the presentation of the report of the committee of the whole which had previously been published. The report was adopted with the exception of the last section. A report was received from the city engineer in regard to a survey of the Thorne property to find the amount of land required to make repairs to the east side ferry slip. The report called for an expenditure of an area of fifty by ninety-five feet. A communication received from A. J. McQuarrie saying that his automobile had been damaged by running into some unlighted equipment of the Currie Construction Company. Asked that the sum of \$25 be held from the sum due the company. A request was received from Mr. Bullock, Mr. Frink and the acting city solicitor, with power to act. Mr. Jones said that the water and sewerage department were not at fault in connection with the complaint of F. E. Williams in regard to damage to his property in City road.

A general discussion of the Ryan charges then took place. Mr. Frink said

W. C. T. U. AIDS NEEDY.

Two cases of families in need were considered at the meeting of the W. C. T. U. yesterday afternoon, and it was decided to give aid to each family after communicating with the Associated Charities. Arrangements were made for the coming annual county convention. Mrs. David Hipwell presided for the business session, and Mrs. E. B. Hens decided the opening devotional period which was of a special nature as the meeting was the first in the history of the W. C. T. U. since the help of the fourteenth chapter of John.
