Re: Rex vs Stonechild

Referring to my letter of August 18th informing you that the Minister of Justice nominated Messrs. Hodges & Noonan, Barristers, Regina, Saskatchewan, as counsel to be employed in the defence of Edward Stonechild, an Indian charged with murder, I enclose herewith copies of letters from Mr. P. G. Hodges dated September 9th and September 14th which were evidently intended for your Department.

Robert H. Wright
for Asst. Deputy Minister.
