OUTRAGE ON THIBET.

OUT-OF-WORK PROBLEM

Editor Toiler: This is a good of the year to consider the work' rroblem. No system of labor logislation can be complete that does not remove or dim nish this great cause of poverty and suffering. To be 'out of work,' to 'lose the job.' to have 'to go away and look for work,' to be 'labor off,' these are spectral shadows that OUTRAGE ON THIBET.

Thibet some years ago was neutral teritory in the strict and absolute sense of the term, dealing with no outsiders and that hught the lives of every prudent, thoughtful workingman. When their the high lands between Russian Siberia the high lands between Russian siberia the home it is like an iceberg striking a midsummer picnic. Only those who have TORONTO, FEBRUARY 26th, 1904.

WHAT IS UNREASONABLE!
In the discussion of the claims made by union men for increase in wages, the expression is frequently heard from themself and to been taken by union men for increase in wages, the expression is frequently heard from those who do not work or have a "soft shap," that "workingmen should not be unreasonable."

This suggests the consideration of (1) in what respect are "workingmen" different from others, except in the fact.
