police authorities of the United States was enacted.

eask of gold from New York, valued at from Havre to Paris. The French line steamship La Touraine, Capt. Santelli left New York on July 21 for Havr with forty casks of American gold or board, valued at \$2,000,000 and con signed to various concerns. She arriv ed on July 29. The forty casks of gold are believed to have been safely landed at Havre and they are also said to have been placed, complete, on board the train running between Hayre and casks were counted upon arrival here there were only 39 of them; one cask, containing \$50,000 in American gold, had, by some means, still a mystery t the police, disappeared. The disappearance of the cask of gold has given rise to a number of police theories, the strongest being that the gold was followed from New York by expert thieves, who patiently awaited their chance to

correct. It is thought that the chief to Paris, one cask of gold was thrown out of the train and the robber or robseem to indicate, according to another theory, that only one person was con gold from the train. But the theories are many, and the facts made public are few, not even the names of the cosigners of the gold being made known known up to the present.

THE RORIQUE BROTHERS.
