SENACA WINS THIRD RACE FOR CANADA'S CUP

ROCHESTER, N. Y., Aug. 13.—Three straight for Seneca. The Hereshoff the at 2.31.50, official time, and more than a mile ahead of the challenger. The result was not a surprise to yachtsmen who watched the two previous races, for Seneca had proven herself faster in practically all kinds of weafaster in practically all kinds of w

faster in practically all kinds of weather.

Today, with the wind blowing from nine to ten miles an hour at the start and growing stronger until it was twelve or fifteen and later twenty miles, with a 25 mile gale at the finish line inore than a mile in the lead. Asket the finish the Seneca ran across the finish line inore than a mile in the lead. Asket the course, after seeing the puff of the gale did not attempt to finish, but left the course, after seeing the puff of the series from a yachtaman's viewpoint. The heavy weether showed the stuff of which the boats are made and the crews were busy all the time. Reefing was necestary on various occasions, and when they were running some of the racers turbe white caps in a way that pleased the men whose chief diversion in handling the yacht stick. The course today was triangular, seven miles to the leg, and the first jaw was beat at diagnosis for small power boats to venture out after the racers turned the first staked from the f

first stakeboat, the wind having risen considerably since the start.

It was a close race nearly all the time for the first seven miles, but Seneca had the weather and Adeletrailed all the way soon after leaving the line. On the reach, the defender increased her lead and on the run home before the wind the Yankee boat made the gap wider all the way.

The official time of the finish was:

Rosalind, for St Johns, Nfid; Silvia, for New York.

SONOMA GIRL MET

POUGHKEEPSIE, N. Y., Aug. 13.— Sonoma Girl, the most famous race horse of the year, met her first defeat in the Grand Circuit races at the driving part today, when she was beaten by Watson in the Oakland Baron stakes, for a purse of \$4,000. Breaks in the first and third heats cost Sonoma Girl the race. She was steady in the second heat and won that heat with ease in 2.06 3-4.

Before the race, Sonoma Girl was an almost prohibitive favorite, selling for \$50 to \$7 for the field, while in many of the pools she was barred in the betfing. It was another bad day for favorites, only one first choice winning and that was Blacklock in 2.07 pace, and he did not win until his supporters had about given up hope and two other horses had each won a heat. The 2.20 class—trot—was won easily by Zaza, a second choice, in straight heats, Tolio, the favorite, not being he managed to finish second.

Alleen Wilson was the favorite in the 2.10 pace, but Leland Onward, driven by "Tommie" Murphy, won in

CHATHAM HOUSES CHATHAM, N. B., Aug. 13.—The lightning storms were very severe last night, sheet after sheet continuously

were put through either in Canada or the United States. He said the bill, which is yet in its infrancy, has done and central portions of the country, and he looked for it to prove of great benefit in the east as well.

This legislation is a stop in the right direction. And yet it applies only to public utilities, but as time passes the public utilities, but as time passes the principle can be extended to other industries. "It is the only possible into their condence application of the difficulties between capital and labor." There have been a first on both sides, but the work of the public into their condence. They have been done of the condence and the store the action, but they are better educated and works in subtler ways. Employence in the minority in the exploitation of labor.

"Hence it is that a compulsory state-ment of the cast on both sides as provided for in the Lemieux bill before a strike or lockout is resorted to is beneficial. The public, who are, as time the exploitation of labor. "Hence it is that a compulsory state-ment of the cast on both sides as provided for in the Lemieux bill before a strike or lockout is resorted to is beneficial. The public, who are, after a discovered a strike or lockout is resorted to is beneficial. The public, who are, after all, the greatest factor in such disputes—because they pay the billis—and he said that this waste material was at times very offensive.

In on the street.

It so happened that yesterday some old boxes were put there and the doctor lost no time in removing them. A short time afterwards he had some the four ministers who are in Ottawa. It is understood that changes in the cabinet were not discussed, but that a large amount of routine business was transacted.

Plans for a million and a half dollar depot, to be built at Ottawa by Grand Trunk, were approved.

In gon the street.

It is happened that yesterday some old boxes were put there and the doctor lost no time in removing them. A short time afterwards he had some toil in the space, and it was soon scattered all over the sidewalk and street by Mr. Watson and his clerk. This aroused Dr. Gilchrist's anger, and words not of the most pleasant nature were exchanged.

Plans for a million and a half dollar depot, to be built at Ottawa by Grand Trunk, were approved.
