Is there any need of having to drive through four inches of mud on the street leading, to the station after every little rain? Could not this road be fixed so as to drain the water properly? The town streets in the main are good with the excep- tion of this section. The Letang road is in a very bad state and is a disgrace to the town. Surely the town council will take this matter up and put the roads in a better condi- tion. Thanking you for your space I remain Yours Truly RATEPAYER. ous forms of amnsement indulged in.
