(No. 3.) Radway's Regulating Pills.

Dr. Radway & Co. have recently discovered a method for extracting from roots, herbs, plants and gums, a nutritious extract of such wonderful nourishing power—which they have combined with RADWAY'S REGULATING PILLS—

that six of these Pills will supply the blood with the same amount of nutrition as five ounces of ordinary bread; so that, while the system is undergoing a thorough physicking, and regulating process, it daily becomes strengthened.

Persons afflicted with Liver Complaint, Dyspepsia, Heart Diseases, Fullness of Blood, and all Females who are subject to Irregularities, Hysteria, &c., are particularly recommended to use these Pills. They are pleasant to take—elegant in taste, and free from taste, and will not grip, sicken or weaken the system, or leave the bowels costive. Mothers nursing should likewise take one or two of these Pills once per week. They will not only keep your system healthy and regular, but will protect your infants against Cramp and Pains in the stomach, and insure not only a healthy child, but will invest every child, thus suckled, with a sweet disposition.
