JUDGE LANDRY'S TRIBUTE
TO FORMER CHIEF JUSTICE

Fredericton, April 8.—At the opening of the Supreme Court this morning, Judge Landry, senior judge, said: "We have the sad intelligence this morning of the death of ex-Chief Justice Turkel. He passed away peacefully at a ripe old age, having filled an honorable career and accomplished a very useful mission among his fellows. He was widely and favorably known. In whatever capacity he was called upon to act—and he shirked no duty—he filled the trusts confided to him faithfully with many strength and well. As Chief Justice, the last public function he executed, he was courteous, accessible, diligent and zealous. He departs, leaving a record which his native province may well be satisfied. On behalf of the Bench, I extend to the bereaved family sincere and deep-felt sympathy."

P. E. I. FISHERIES.

(Charlottetown Guardian.)
In the excellent address delivered by W. F. Tidmarsh before the Charlottetown board of trade Friday evening, and reported in "The Guardian" Saturday morning, as well as in the discussion which followed, there are many points which cannot be too strongly emphasized. We have been talking "conservation of natural resources" and some of the most valuable natural resources of the world, namely our fisheries, remain close by our shores undeveloped. Mr. Tidmarsh remarked that the lobster industry is the only branch of our fisheries that has been fully developed and from it the province reaped in 1911 a revenue of \$831,519. He pointed out also that around our shores are abundance of codfish, yet this branch has been practically neglected, although its value, if developed, would be but little less than that of the lobster fisheries. This is inferred from the fact that the total value of the codfish taken in Canadian waters last year was only a little less than that of the lobster catch.

The World's Best Liniment
Needed in Every Family
From Infancy to Old Age

If Your Home is Without "Nerviline" Read the Following Closely.

The high cost of living today demands economy on every side. Sick-ness is expensive. Far better to treat little ills before they grow serious. For this reason every home should have handy on the shelf a good remedy like Nerviline, which cures the minor ailments that occur in every family.

For example, when the boy comes in with wet feet and a slight cough, Nerviline will cure him. If a cold has settled on his chest, rub on Nerviline and the cold will go.

If something has been eaten that causes cramps, nausea, or diarrhoea, just twenty drops of Nerviline—that's all and cure is effected.

As a liniment for outward application in case of Neuralgia, Lame Back, Sciatica, Lumbago or Rheumatism, it's really hard to imagine how Nerviline relieves, and how soon it cures.

Nerviline is nothing new. No, it's one of the oldest and best known remedies. Used in thousands of homes by the people of many nations, simply because it stops pain, cures sickness, and aids the family of ill before they become troublesome. Get the family size bottle, price 50c.; trial size 25c. at all storekeepers and druggists or The Catarrhose Co., Buffalo, N. Y.

LIPTON CHALLENGES
CONDITIONS FOR RACE

Continued from page one.
"We have the greatest pleasure in transmitting the foregoing and trust that the New York Yacht Club will share the view of the Royal Ulster Club that Sir Thomas Lipton has solved the difficulty in a satisfactory manner. By separate cablegram I am sending the formal challenge."
(Sgd.) E. F. PATTERSON,
Honorary Secretary.

The formal challenge is worded precisely as was the former challenge, with the exception of the clause stipulating the size of the boat, which has been omitted.

Will Start New Boat at Once.

British yachtsmen believe that since Sir Thomas Lipton declared his intention to enter a 75 footer, the American syndicate must build a boat of approximately the same length. To ensure their freedom the terms offered by them by the deed of gift of competing with a 75 footer would here be considered sporting. The building of a new Shamrock will commence immediately. Charles E. Nicholson, the yacht designer of Goshport came to London today for a consultation with the challenge.

"Well they have made up their minds they would not accept our challenge with limitations, and as they would not come to my wishes I have gone to theirs," Sir Thomas said to the Canadian Press.

To the question "Do you think you will win?" the British yachtman replied, "I must confess frankly I think I shall give the cup a bit of a fight. I think I shall raise hopes if it is true that it will be a short time, I am anxious for a race and not for the prize. Some of the best friends I have are in America, and there are the codfish taken in Canadian waters last year was only a little less than that of the lobster catch."

Morgan's Death Delayed.
"The challenge," Sir Thomas continued, "was drawn up a week ago at a meeting of the Royal Ulster Yacht Club, but at my request the date was postponed on account of the death of late
