Catarrhal Deafness

and Head Noises

Tells Safe and Simple way To Treat And Relieve AT Home

If you have catarrha, catarrhal deafness or head noises caused by catarrh. or if pileam dops in your drift and has caused catarrh of the stomach or howels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepara in your own home at little cost Secure from your drugslat one ounce of Parmint (Double Strength.) Take this home and add to it \(\frac{1}{2}\) pint for the purpose of smell, taste, defective hearing and mucus dropin in the back of the throat are other symptoms which suggest the presence of catarrh and which have often the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropin in the back of the throat are other symptoms which suggest the presence of catarrh and their much and to the treatment. Loss of smell, taste, defective hearing and mucus dropin in the back of the throat are other symptoms which suggest the presence of catarrh and there must, therefore, be many peoply this efficacious treatment. It is said that nearly inletty per cent, of all ear troubles are caused by catarrh and there must, therefore, be many peoply this simple, harmless, home treatment.
