

SEIGE BATTERY TO BE MOBILIZED HERE

Lieutenant-Colonel Armstrong Has Orders to Begin Recruiting for Important Unit Where Splendid Opportunity Will be Given Young Men of Intelligence and Ambition—Officers Also From St. John.

Still another artillery unit, a siege battery, is to be formed in St. John. Lieutenant-Colonel E. B. Armstrong on Saturday received orders to start recruiting immediately for this unit. A siege battery numbers 218 officers and men, and is of a nature as to call for the best muscle and intelligence in the province. It is a somewhat new branch of artillery, especially new for a Canadian corps, and of still greater interest to the members who enroll.

OBITUARY

Mrs. Louisa Gough. The death of Mrs. Louisa Gough at the age of eighty-one years is announced. She passed away Oct. 8 at the home of her son, George E., in North View, St. John. Mrs. Gough also leaves her husband, Nelson Gough, and one other son, Captain Fred Gough of St. Martins. The funeral took place at Linton Corner, Victoria county, on Oct. 4.

David Middleton. David Middleton died on last Tuesday at his home in Holderville. He was eighty years of age and is survived by his wife and five children. The funeral will be held from his late home on Friday morning at seven o'clock.

Rev. Elijah Orser. The death of Rev. Elijah Orser, Primitive Baptist clergyman, took place at the home of his daughter, Mrs. W. F. Cogswell, Fort Fairfield (Me.), Sept. 29, at the age of 82 years. Just twelve years ago, at the same hour, his wife passed away at the same place. He leaves three daughters—Mrs. W. F. Cogswell and Mrs. Arthur Hooper, Fort Fairfield, and Mrs. Fred Clark, Boston; two sons—Whitfield Orser, Fort Fairfield, and David Orser, Michigan. Mr. Orser had been preaching for forty years. His last pastorate was at Hartland. He had spent the last two winters with his son, David, at his winter home in Florida. For the last fifteen years he has made his home with Mr. and Mrs. Cogswell. The funeral services were conducted at Lower Wakefield, where interment took place.

Mrs. Emeline Stephenson. Mrs. Emeline Stephenson died yesterday morning in her eighty-third year, at her home in Prince of Wales. She was the widow of A. Stephenson, a farmer, and survived by one son, Ludlow of this city, and three daughters, Mrs. Charles Ingraham, of Prince of Wales, and Carrie and Linara, of this city. Her funeral will take place on Sunday afternoon at 2 o'clock, from the residence of her daughter.

Mrs. M. V. B. Wentworth. Saturday, Oct. 9. Died in East Rochester (N. H.), on Oct. 7, Mrs. M. V. B. Wentworth, in the seventy-seventh year of her age, leaving her aged husband, Mr. Wentworth, a native of New Brunswick, D. O., who lived in the States for fifty-eight years and had been married fifty-four years. She was a sister of A. T. B. Howard, of Fredericton.

George B. Barker. Monday Oct. 11. George B. Barker, a member of No. 1 Hook & Ladder Company, and a fireman for 38 years, died yesterday. Mr. Barker was one of the best known men in the city, and his death will come as a great shock to those who have seen him actively engaged in his own work, that of a shoemaker, and in the fire department. He was 82 years of age and had always enjoyed good health, and was about his work as recently as Wednesday last. Attending the funeral of William Davies, late of the West Side fire department, two weeks ago, and responding to three fire alarms on the evening previous, he was cold which rapidly developed into pleuro-pneumonia and, growing worse, the end came yesterday. Apart from his long and valued work in the fire department, where he was looked upon as one of the best firemen that the city had, Mr. Barker was very popular with a large circle of friends, and the greatest sympathy will be extended to the family in their bereavement.

St. Stephen, Oct. 6.—A very pretty home wedding took place this morning at the home of Mr. and Mrs. Albert Melone, when their youngest daughter, Celia Mildred, became the bride of Harry Wilnot Raynes, of St. John.

able manner. Music was provided by the No. 1 Citadel Band, and a solo was sung by Lieutenant Sparkes. The happy couple left for Cape Breton, where the honeymoon will be spent. They were the recipients of many beautiful gifts. Their future home will be St. John (N. B.). Tucker-Dick.

A very pretty wedding took place at the residence of the bride's father, Nelson Dick, L'Etete, at 7:30 p. m. on Tuesday, Oct. 5, when Goldie Belle, his only daughter, was united to James Earle son of Mr. and Mrs. Gordon Tucker, of Lower L'Etete.

Over 100 guests had been invited and very few failed to arrive, despite the storm which prevailed all the evening. The parlor was tastefully decorated, and a bridal bower and archway of evergreen had been erected. The happy couple entered the room to the strains of the Bridal Chorus, from Lohegrin, played by Miss Mildred Dick. The bride was charming and perfectly self-possessed. She wore a handsome gown of white satin with long train, trimmed with shadow lace and pearls, a bridal veil and wreath of orange blossom, and carried a bouquet of sweet peas. Miss Doria Dick, the little niece of the bride, acted as bridesmaid.

Rev. W. H. Johnson, of St. George, officiated, and after congratulations, refreshments were served and a delightful musical evening enjoyed. The presents were numerous and valuable, including a beautiful assortment of silver, cutlery and linen. Mr. and Mrs. Earle Tucker will reside in Upper L'Etete.

TORTURING SCIATICA

A Severe Sufferer Cured Through the Use of Dr. Williams' Pink Pills

Pierce darting pains—pains like red hot needles being driven through the flesh—in the thigh; perhaps down the leg to the ankles—that's sciatica. None but the victim can realize the torture. But the sufferer need not grow discouraged for there is a cure in Dr. Williams' Pink Pills. These pills make new, rich, red blood, which soothes and strengthens the feeble nerves, and thus free them from pain and restores the sufferer to cheerful activity. In proof we give the statement of Mr. Thos. D. Leinster, Wapella, Sask., who says: "I was attacked with sciatica which gradually grew worse until I was confined to my bed; for three months I had to be shifted and turned in my bed as I was utterly unable to help myself. I suffered the greatest torture from the fierce, stabbing pains that accompanied every movement. I consulted several doctors and took drugs and medicines until I was nauseated, but without getting any benefit, and I began to despair. I would be a continuous sufferer. Finally I was prevailed upon to use Dr. Williams' Pink Pills and after taking them for about six weeks I was able to get out of bed. From that on I kept steadily improving until I was free from this terrible and painful malady."

The most stubborn cases of sciatica will yield to Dr. Williams' Pink Pills if the treatment is persisted in. These pills are sold by all medicine dealers and sent by mail at 50 cents a box or six boxes for \$2.50 by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

BOTH SONS OF E. S. CARTER NOW SET IN HIS EMPIRE

George E. Carter, youngest son of E. S. Carter, of Fair Vale, Liberal organizer for New Brunswick, has left for Montreal where he has enlisted in the 4th Universities Company, which expects to go to England in about two months to complete training at the base of the Princess Patricia's and reinforce that regiment.

Mr. H. Doyle one of the Western Union auditors in the maritime provinces, who also lives in Fair Vale during the summer months, is leaving a wife and child to join the same company. Mr. Doyle was an athlete of note some years ago.

Mr. Carter is employed in the city passenger office of the C. P. R. His elder brother, Arthur, Rhodes scholar from New Brunswick, is now in the trenches, machine gun officer in the 8th Battalion of the York and Lancaster regiment. They are Mr. Carter's only sons.

SESSION COMPLETES WORK OF SESSION

The closing session of the maritime provinces Presbyterian synod for 1915 was held this morning in St. Andrew's church, L'Etete, and was the grandest of the day and it was disposed of with great celerity.

Among the matters dealt with was the question of including the W. & O. fund in the annual budget and this was decided upon. The amalgamation of home missions, augmentation and social service were all left over until the next synod for further discussion. In order to encourage the delegates to remain until the end it was decided that those who leave before Thursday noon without permission shall not benefit from the synod fund.

A cordial vote of thanks was extended to all who assisted the synod in any way. The synod adjourned to meet next October in Truro, N. S., after a meeting which had been marked by the business-like way in which the transactions have been expedited and by the good feeling which has marked all their discussions and deliberations.

When the synod resumed this morning it was decided, on motion of Rev. L. W. Parker, that the Widows and Orphans Fund be included in the budget, thus disposing of a matter which had aroused considerable discussion.

The gidron at Mount Allison will be desisted this season and, if the seed the Athletic Association is scattering finds fertile soil, there will be no football this year. The annual regatta on the Colles in the maritime provinces is being held in today and it is likely that we will follow tomorrow. We are all happy and enjoying life fine so far; it is hard at times, but at other times we have good times.

When on the march today I saw young McLeod from the Old Fort, a nephew of Harry McLeod. His father died last winter, you know. He was on a team going the opposite way, and I hollered and he knew me. I also saw Campbell from Sand Point, Lester, I think his name is. They both looked fine and were glad to see me.

"You asked me if I wanted any socks. Well, Mother, I don't, for we have all we can carry. If you send any thing, please send some cigarettes, but don't send too many in one parcel, as it might be seized. It is best to send two small packages than one big one. We are not hard up for socks just now, for today we each got two boxes that were sent by the tobacco collectors at home. By the time you get this letter we may be fighting, and you don't know when we will see any more, and you know there is nothing else to do here to pass the time but to smoke. You could not buy any here if you had a hundred dollars."

Letter from Driver Daley. Mrs. Annie Daley, of 408 Main street, has a letter from her son, Allan, who is a driver with No. 1 Co. C. A. S. C., somewhere in Flanders. It is dated Sept. 22, and says they had been over there a week and everything thus far was quiet, but they would be moving up nearer the line in a day or two. He said he thought Hollis, his brother, was only a few miles away, and he would endeavor to get his address.

From Gene Woodway. Mrs. Victor Woodway, of Market Place, West St. John, received a postal yesterday from her son Gene, who is with the Construction Corps in France. He told of several narrow escapes from being killed, but up to that time had been unharmed.

Another Call From Trenches. In a letter to a friend, Gordon G. Kennedy of the 26th says: "I received the tobacco you sent and was glad to get it. I am kept pretty busy over here and as we get lots to eat we do not have time to get lonely; it is a great life. You ought to see the poor Belgians who have no homes. If some of the boys at home could only see these poor little children and their mothers they would not be taking life so easy as they did when we were in St. John."

"ONE OF THE FINEST SOLDIERS THAT EVER FACED A FOE," GONE. Ottawa, Oct. 9.—The death of the front of Major A. V. Roy, of the 22nd "French-Canadian" regiment, commanded by Col. Gaudet was reported by cable to the minister of militia today. No particulars were given.

Gen. Hughes described Major Roy as "one of the finest soldiers that ever faced a foe." The wife of the dead soldier whose home was at 242 Sherbrooke street, Montreal, is now in France. (Montreal Star.)

Major Roy was well known in Montreal and took an active part in Montreal affairs in varied directions. He was a candidate for the board of control at the last civic elections.

He was a Montrealeir by birth, son of Adolphe Roy and Hermine (Hudson) Roy. He was the grandson of Victor Huet, the father of the Canadian cotton industry and for ten years a harbor commissioner, as was also his father.

Major Roy's education was obtained at L'Yves Private School and the High School, Montreal, and subsequently he went to L'Ecole Monge and L'Ecole Centrale, Paris, France, the celebrated French government school of engineering. He possesses the diploma of civil and mining engineering of L'Ecole Centrale des Arts et Manufactures, Paris, France, being the only Canadian holding first rank.

Mr. Roy was the engineer representing the province of Quebec at the Chicago Fair, 1888, and at the Alaska Gold Mines, 1894-5. His sphere of activity also includes Tunis, North Africa, where his work and advice as a mining engineer elicited the highest encomiums.

He was vice-president of the Sincennes McNaughton Tug Line, director Canada Lined Oil Mills Co., director Notre Dame Hospital and ex-president of the St. Denis Club. He was also a member of the board of trade, chamber de commerce and the following sporting and social clubs: Forest and Stream, Canadian, St. James, Royal Montreal Golf, St. Denis and Montreal Curling.

He was married, having taken in June, 1896, his wife, Hubrecht, of Paris, as his wife.

During the week ended October 9 the following contributions have been received: Miss F. Elizabeth Motton, South Branch; Miss Vivian B. Graves, Moncton; Miss Lyle V. Kennedy, St. John, \$1 each.

The following Charlotte county teachers attending the Institute at St. Stephen subscribed \$1 each and the proceeds were forwarded by Principal P. G. McFarlane: Misses Emma Veasey, Eleanor De Wolfe, Edith Stuart, Mary Matheson, Julia Marshall, Elta De Wolfe, Mary Caswell, Alice Lawrence, Laura Shaw, Mary Holt, Bertha McCoombs, Helena McComb, Edna Giberson, Inez Thornton, Laura Peakes, Annie Richardson, Myrtle Mitchell, Wade, Alice Ryder, Kathleen Simpson, Grace Busby, Grace Coughlin, Gertrude Coughlin, Hazel Diner, Isabelle Thomas, Margaret Harbour, Bessie Smith, Bessie Wrye, Margaret Hennessey, Mary Tower, Frances Murphy, Merril Waldron, Lizzie Wilson, Allen Turner, Elizabeth Gheldin, Mary Shagnessy, Nina Field, Helen Burnette, Hallett, Georgia Lawrence, Eva Marshall, Elva Dotson, Flora Boyd, Messrs J. N. Dow, William Elgie.

Previously acknowledged \$373.65. Total to date \$624.65. H. C. RICKER, Treasurer. Kingston (N. B.), Oct. 11, 1915.

ONE DEAD AND 25 HURT IN WEYMOUTH, MASS., EXPLOSION. Weymouth, Mass., Oct. 11.—One man was reported killed and twenty-five injured as a result of a boiler explosion at the shoe factory of George C. Strong here early today. The factory caught fire, but the flames were soon under control. A call was sent to neighboring towns for physicians.

Belgrade suffers fate of war cities. (Continued from page 1) announces the following changes in the Bulgarian cabinet: Premier Radostoff will resign his office, to be succeeded in connection with his office as prime minister, relinquishing the ministry of the interior, which will be taken over by former Burgomaster Christo Popow. General Denudov has been appointed minister of the troops.

Austrians Claim Further Gains. Vienna, Oct. 11, via London.—In recording the operations of the Teutonic armies engaged in the Balkan invasion an official statement says: "In the Montenegrin and near Obryonovitch has been a most important event. Austro-Hungarian and German forces advancing beyond Belgrade, dislodged the Serbians from their entanglements south-east and southwest of the capital. Our troops struck Cremenberg and Velly."

In the region of Semendria and Pozarevac the allies again gained considerable ground. "In the occupation of Delgrade nine naval guns, 26 field guns, one searchlight, two machine rifles, quantities of munitions and other war material fell into our hands. Ten Serbian officers and more than 600 men were made prisoners. The enemy's casualties were very great. "The Danube flotilla has removed a number of river mines and Russian sea mines."

Large Force or None at All. London, Oct. 11.—Nothing can be gained according to the Times military correspondent by trying to minimize the fact that the British army has not yet achieved a signal military success in the Balkan campaign. He asserts that unless from 300,000 to 400,000 allied troops are sent to the aid of Serbia and sent in time the chances for a successful Serbian resistance are not great.

BARNESVILLE COUPLE HIGHLY HONORED

Residents Surprise Mr. and Mrs. Robert Hastings, on Eve of Their Removal, With Presentation.

Barnesville, N. B., Oct. 10.—On Monday, October 4, the spacious home of Robert Hastings was a festive scene when all the inhabitants of Barnesville gathered to do honor to Mr. and Mrs. Robert Hastings. Mr. Hastings has been a resident of Barnesville for upwards of half a century, but he has decided to sell his beautiful home and move away.

Knowing this, and regretting the loss of two valuable members of their little neighborhood, the people planned to give them a farewell. Without warning they stormed the castle with a veritable surprise. After music and games had been enjoyed, Mr. and Mrs. Hastings were formally seated in the spacious hall, and an address was presented, voicing the esteem in which they were held, thanking them for their ever-faithful hospitality, and especially thanking Mrs. Hastings for the great help ungrudgingly given to Red Cross work during the past year. Also begging their host and hostess to accept a handsome club bag as a parting gift.

As the host and hostess were taken entirely by surprise, no answering speech was ready, but they felt a grateful recognition of the many good wishes.

After a bountiful supper the party drove to their respective homes, feeling the glow of giving happiness and leaving Mr. and Mrs. Hastings with a very tender feeling of friendship for those with whom they had resided so long. Mr. and Mrs. Hastings will be much missed in both church and social life, and the good wishes of all go with them to their new home in Massachusetts.

Mrs. Victor Gowland, of Salisbury, is visiting her sister, Mrs. Hastings. Mr. and Mrs. Theo. Titus, of St. John, spent a few days in this place this past week.

Mrs. Dismude is the guest of Mrs. Hastings for a few days. Mrs. Hastings for a few days. Mrs. Hastings for a few days.
