

Mr. Dinsdale: I rise in regard to the same matter. I refer to starred question No. 2,108 which has been on the order paper since April 25. As Your Honour knows, starred questions are supposed to be promptly answered.

Mr. Macdonald (Rosedale): I will add that to the list, Mr. Speaker.

Mr. Burton: On Monday last, Mr. Speaker, I inquired regarding question 2,349 which was asked on May 23. I think it is quite important that this information be made available at the earliest possible date. I wonder whether the President of the Privy Council would make further inquiries regarding this question.

Mr. Macdonald (Rosedale): Yes, Mr. Speaker. We answered one of the two questions the hon. member inquired about and we hope to have the answer to the other available shortly.

Mr. Coates: I have a simple matter, Mr. Speaker. Question No. 2,153 asks for the name and salary of the Chairman of the Public Service Staff Relations Board. I do not think we should have to wait almost three months for a reply to that question.
