### ST. JOSEPH'S HOME.

St. Joseph's Home, under the ection of Rev. Father D. Holland. C.SS.R., is doing remarkably well, and considering the many calls made apon it, it is supplying the needy with food and shelter. Several men called to receive aid and were given ployment besides. Father Holand contemplates the converting of Jesus. a part of the back premises into a hen, thus leaving more room for new arrivals. #### St Patrick's Choir Concert.

Prof. Fowler, with his usual zeal or old St. Patrick's, is at present preparing the annual grand concert for the benefit of the charitable works of the parish.

Though it hardly seems possible to ook for any improvement on previous years, Prof. Fowler seems quite positive that his present effort will excel any former choir concert. The members of the choir are prac-

tising very steadily to prove this contention. They will be assisted on this occasion by Mr. Victor Occel-lier, baritone of the New York Grand Opera, in the Toreador scene from Carmen, with gentlemen and ladies

It is to be hoped that the public will attend in large numbers on the evening of Tuesday, February 14th, and encourage this most laudable work, for which Prof Fowler and the members of his choir certainly serve the greatest praise.

#### Mgr. Racicot Gave Dinner on Tuesday.

Monsignor Racicot, the newly-ap pointed Auxiliary Bishop of Archdiocese of Montreal, celebrated the occasion on Tuesday by a dinner at the Archbishop's Palace. The guests were the Canons and honorary Canons of the Cathedral of which body Mgr. Racicot was, previous to his elevation, a member.

#### St Ann's Choral Union Dinner

The boys of St. Ann's Choral Union held their annual dinner on Wednesday evening, January 18th, at School Armory Hall, and it proved a very enjoyable affair. Some sixty, including the boys and a few friends, were in attendance. Among those present were Rev. Father Rioux, P. P., C.SS.R., Rev. Father McPhail, C.SS.R., Prof. P. J. Shea, the choir eader, Mr. Murphy, and Bandmaster Smith. After justice had been done to the good things placed before the company, speeches and songs passed a pleasant hour away.

Last Sunday afternoon, the feast of the Most Holy Name of Jesus, a touching ceremony took place in the College chapel, which was very taste fully decorated with flowers and rich hangings, the altar being covered with a thousand lights.

sung by all the boys, Father Devine, S.J., former editor of the Messenger, delivered an eloquent and impressive sermon, dwelling particularly on the origin, excellence and necessity of the devotion to the Sacred Heart of

#### Bishop of Ogdensburg Performs Impressive Ceremony

At half past eight on Tuesday morning, Mgr. H. Gabriels, Bishop of Ogdensburg, assisted by a large number of priests, presided at a most impressive ceremony—the reception into the novitlate of the Sisters of ercy of eight young girls, and the saring of the last vows of two ther sisters—Sister St. Angeline and Sister Saint Fabiola. A touch pathos was given to the ceremony the renewal of the triple vow poverty, chastity and obedience Sister M. of the Crucifix, who y years ago first took the solemn

# a School Board.

Rev. Father Kiernan, P.P. of St. Michael's Parish, and his parishioners are about to present a petition to the Legislature at Quebec, asking for an amendment to the Education Act which would permit of the erection of their parish into a Separate School municipality. Speaking to a True Witness representative on the matter, Father Kiernan said:

"At present it is really painful to see young children wending their way these stormy days to St. Patrick's and St. Ann's from the north end of Regular 25c-Special, 5c. the city to obtain an education.

This would be avoided if proper facilities were accorded them by the Legislature legalizing the erection of schools within the limits of the parish, with the taxes which their parents and co-religionists pay at present into pre-eminently French school boards." Father Kiernan wished to state that he felt heartily grateful to the teaching staffs of St. Ann's and St. Patrick's, for the assistance they lend to his parishioners in their trying circumstances. It is well known that the Brothers' and the Sisters' schools are at the present time crowded to their utmost capacity in accommodating the children of their respective parishes and that in consequence they are making herculean efforts to receive children from the upper sections of Montreal. Father Kiernan is convinced that he will obtain the necessary enactment, for he has the sympathy of His Grace the Archbishop with him and his congregation in the position he and they find themselves. He is

forts to obtain justice by the intelligent and fair-minded French representatives of the population as well as by the English-speaking clergy and their congregations. The pastor of St. Michael's is particularly anxious to succeed in obtaining the required amendment the School Act which he is petitioning for, so as not to allow any grounds of excuse for sending child-

also convinced that he will be sup-

ported in his petition and in his

ren to schools not approved by church authorities. The following is the full text of the petition, which was signed immediately after high Mass on Sunday:

1. Whereas, the parish of St. Michael the Archangel of Montreal is formed of the English-speaking families within the limits of five French parishes and of the municipality of Villeray, and is separated for school purposes from the School Board of Montreal, and is therefore dependent for school resources upon the six different boards formed in these parishes upon the recommendation of the Superintendent of Public Instruction.

2. Whereas there is not a sufficient number of English speaking children in any one of these six school divisions to allow of graded classes, but that there is a sufficient number in the aggregate to allow of graded classes.

8. Whereas, in consequence, to obtain such complete knowledge as will prepare them to compete in after life with children of their own language, these children are exposed to frequent non-Catholic schools or other chools situated at considerable distances from their homes and therefore removed from the protecting supervision of their respective parents, and to be charged double fees.

4. Therefore, your petitioners numbly pray that your honorable ous as that of the other inhabitants of the upper sections of Montreal and of its suburbs, all of which are richly equipped with up-to-date school buildings and other school appointments, calculated to give an xcellent training to the French-peaking children belonging to the aid six School Boards, namely as ollows: Ville St. Louis, St. Der St. Edward, St. John of the Cross Outremont, Villeray,
