The Mason & Hamlin Organ Company have the pleasure of announcing that specimens of this fine organ (the similes in their musical part of one furnished Dr. Franz Liszt), are now ready, and may be seen at their warehouses in Boston and New York, the new instrument was seen and tested by a number of the best musicians in the country, who pronounced it a material advance upon all that had before been accomplished. In the rooms of the Agent for the sale of our organs in Hanover, Germany, it was also greatly admired. The "Hanover Courier" declared it to be "as the very height of development of instruments of the class," evincing "extraordinary progress." After its receipt and trial, Dr. Franz Liszt wrote to the Agent: "The beautiful organ of the Mason and Hamlin Organ Company, of Boston, receives, no less praise here than in Hanover. It fully justifies the reputation, well-founded and wide spread renown of these superb instruments." It was immediately put in use in his orchestra. We are confirmed in our judgment, then, that the tone of this new organ are "not because of mere oddity of effect, but from their true diapason quality, and fullness, and from the powerful power and pervading and sustaining effect; and that, as a whole, it is, in proportion to its size and extent, much in advance of anything we have before seen able to produce." Circulars with full particulars, also catalogues illustrating and describing all the styles of the celebrated Mason & Hamlin Cabinet Organs, which have taken highest honors at the World's Exhibitions of recent years, and are the only American Organs which have ever taken highest award at any such, sent free.

FITS! FITS! FITS! FITS! CURE OF EPILEPSY OR FALLING ILLS BY HANCE'S EPILEPTIC PILLS

Persons suffering from this distressing malady will find Hance's Epileptic Pills to be the only remedy ever discovered for curing it. The following certificate should be read by all the afflicted: it is in every respect true. A MOST REMARKABLE CURE. Tonganooche, Lonsborough Co., N.S., April 2, 1876. SETH S. HANCE, Dear Sir—The Epileptic Pills that I received from you last September have accomplished all that you recommended them to do. My son is hearty, stout, and robust; he is as hearty as any child in Kansas—indeed he is in the manner a new boy, being red and racy. Before he commenced taking your Pills he was a very pale and delicate looking child, and had Epileptic Fits for about four years, and seeing your Pills advertised in the Christian Instructor, I sent you and got two boxes of them, and he has not had a fit since he commenced taking them; he has been exposed to all changes of weather in going to school and on the farm, and he has not had a fit nor a symptom of one since he commenced taking your Pills. He learns well at school, and his mind is clear and quick. I feel that you are not sufficiently paid for the service and benefit you have best to us in restoring our child to health. I will cheerfully recommend your Pills to every one I hear of that is afflicted with Epilepsy. Please send me some of your circulars, so that I can send them to any that I hear of that is afflicted in that way. Respectfully, etc. LEWIS THORNBROUGH.
