These Great Books Point the Way for You to **ADVANCEMENT** —  
**SUCCESS—PROSPERITY** in Commercial and Professional Life.

With the mighty advances which are being made in every branch of business and professional life there has come a demand for a higher standard of intelligence—of proficiency. The time is past when illiteracy or slipshod methods of speech and correspondence are looked upon with tolerance. The man who can express himself with force and clearness is the man who is in demand everywhere.

**GET THESE SIX VITAL BOOKS**

Aside from their great value in widening a man's mental perspective—putting him in a position to appreciate and enjoy all the beauties of literature—these six books have an intrinsic value far beyond their cost. They have put thousands of men and women into the path that leads to increased business, promotion, and higher salary. They are the simplest, the most practical, the best, for Business Managers, Correspondents, Advertisement Writers, Stenographers, Story Writers, Authors, Public Speakers, and others.

"Your course is rich and fine. You seem to have condensed the experience of years into a few sentences that a business man can use immediately," says W. P. Warren, Marshall Field & Co.'s Advertising Manager, in speaking of these books.
