

THE TEST OF TIME

Your grandparents did not use Blue Ribbon Tea. Nothing half so excellent was known in their younger days—whatever the price. But your grandchildren will use it. It is impossible to imagine a better Tea—whatever developments occur. But be assured that if improvements are possible

BLUE RIBBON TEA

will have them. One recent improvement is in the wrapping. It was impossible to better the tea, so the packet was improved. From now on, ask for Blue Ribbon Tea in the new double wrapping—dust proof, airtight, moisture-proof. Same Tea—same label, but a fifty per cent better packet.
