

Council to
make by-laws
respecting
cutting of
lumber, &c.

7. The Municipal Council of each township shall, as occasion may require, make such by-laws as they shall deem necessary to regulate the manner in which the inhabitants shall provide themselves with wood from the said reserves; such by-laws of the said Council ~~inducting~~ each year the spot on which the wood shall be cut for that year, the 5 season during which it shall be cut and removed, the quantity and kind that each inhabitant shall be entitled to cut, and everything which it shall be important to settle, in order to ensure a supply of wood to the inhabitants of such townships by means of cuttings regulated in 10 the proportion to the requirements of the inhabitants of such township, in such proportion as will allow of such regulated cuttings being made yearly and for ever.

In case Muni-
cality be
divided.

8. And in the case of the subdivision of such Municipality into two or more separate Municipalities, the said reserve shall be divided between such new Municipalities in proportion to their extent, and in the man- 15
ner which shall be most advantageous to all.
