

## New Ways to the Woods

The six railways of the Canadian Northern System offer the widest choice of new territories to the fisherman, canoeist, camper and hunter.

In Nova Scotia the Halifax and South Western Railway, serves 700 miles off ocean shore; two score generous trout streams; the famous Rossignol lake system and Lake Kejimikujik or Fairy Lake, which is only ten miles away from Caledonia Station. The Inverness Railway serves the best fishing territory in Cape Breton. Write P. Mooney, Gen. Pass. Agent, Halifax, N.S.

In Quebec The Canadian Northern Quebec and Quebec and Lake St. John Railways give easy access to the Saguenay, Upper St. Maurice, the Batiscan, the La Tucque game preserve and the valleys of the St. Lawrence and the Ottawa—all good fishing waters abounding in ouananiche, trout and bass. Write Guy Tombs, G.F. & P.A., Montreal.

In Ontario The entire range of the Muskokas; the Georgian Bay hinterland; the French, Pickerel and Maganctawan rivers—well stocked with bass, mascalonge and pickerel—are best reached by the Canadian Northern Ontario Railway. Write C. Price Green, Passenger Agent, Toronto, Ont.

In Western Ontario and the prairie provinces the Canadian Northern Railway serves over three thousand miles of splendid territory. The Rainy River section follows the old Dawson trail which is the finest canoe trip on the continent through the site of the proposed International two million acre game preserve. Write G. W. Cooper, Asst. Pass. Agent, C.N.R., Winnipeg.

For literature and general or special information enquire of the Information Bureau, Canadian Northern Railway System, Toronto, Ont.

## Homeseekers' Excursions

by special train from Toronto every second Tuesday during the summer. Reduced rates on sixty-day return tickets to principal Northwest towns. Through tourist sleeping cars.

C.P.R. IS THE DIRECT THROUGH ROUTE

You can do it  
with a

# "REO"

REO TOURING CAR—PRICE \$1,250

"The car that gets  
you there and back"

# "REO"

**The Powerful Long Stroke of the "REO"**  
just eats up the hills. This is one reason why the Reo's daily average mileage is so great.

Another reason is that it keeps running every day—very little trouble with repairs or adjustments.

The REO is able to furnish all kinds of *proofs*. Glidden tours to prove endurance and reliability, hill-climbing contests to prove effective power, economy tests to prove economy—any kind of proofs you require. But the *best* proof of a REO is a ride in a REO.
