IMPORTANT NEWS ABOUT THE CANADA STUDENT LOANS PROGRAM

The Government of Canada is proposing changes in the Canada Student Loans (CSL) Act to help provide post-secondary students with financial assistance to pursue their education.

What

We propose to offer:

- **Guaranteed loans to needy part-time students** to help cover the cost of tuition fees, learning materials, transportation and related expenses.
- **An interest relief plan for unemployed graduates** to provide for the payment of interest charges due on student loans. Both full and part-time students would be eligible for assistance.
- **Increased weekly student loan limits** to \$100 from the current level of \$56.25.

When

Our objective: the coming academic year.

We intend to introduce legislation in Parliament shortly to make these changes to the CSL Act.

The implementation of the proposed changes will require the co-operation of participating provinces and lending institutions.
