October 4th. 1923.

Madam,

Mr. Mackenzie King very much regrets that he is unable to accept the kind invitation of the Governors to visit Stowe School, to plant a tree and to say a few words to the pupils.

Were it possible to arrange a date, he would be delighted to comply with their request: but his official duties prevent his accepting further engagements.

Yours faithfully,  
(Signed) A.G. DOUGHTY.

The Secretary,  
Stowe School,  
74, Eccleston Square, S. W. 1.
