Ottawa, February 10, 1936.

Dear Mr. Hilton:

Your letter of the 9th instant reached me this morning. I have every sympathy with you in the position in which you find yourself owing to the failure of the Home Bank, and if it were possible for me to be of any assistance I would gladly do so. I am bringing your case to the attention of Mr. Weldon in Toronto and if he finds it possible to meet your wish I will be very glad.

Yours very truly,

Mrs. Calista Hilton,  
133 Frederick Ave.,  
Hamilton, Ont.
