Ottawa, July 30th, 1926.

Dear Sir:

Your letter of the 15th instant reached Ottawa just before Mr. Meighen left for the Maritime Provinces. He had no time to acknowledge personally but asked me to do so on his behalf and say that he had brought your letter to the attention of the Honourable G. D. Robertson who is dealing with our publicity arrangements.

Senator Robertson has been out of town since that time but is to return on Sunday next.

Yours faithfully,

E. H. Wells, Esq.,
General Manager,
Phonofilm of Canada Ltd.,
12 Mayor Street,
Montreal, Que.
