The copy filmed here has been reproduced thanks to the generosity of:

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed baginning with the front cover and anding on the last page with a printed or lilustrated impression, or the back cover when appropriate. All other original copies are filmed baginning on the first page with a printed or lilustrated impression, and ending on the last page with a printed or lilustrated impression.

The last racorded frame on each microfiche shall contain the symbol — (meaning "CON-TINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hend corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:
