LOVELL'S GAZETTEER

OF

BRITISH NORTH AMERICA,
 TO CONTAIN DESCRIPTIONS OF EVERY
 CITY, TOWN, VILLAGE, &c.,

IN THE

Dominion of Canada, Newfoundland and Prince Edward Island.

LOVELL'S DIRECTORIES:

A SERIES OF

PROVINCIAL, COUNTY, TOWN,
 AND
 CITY DIRECTORIES,

TO BE PUBLISHED THROUGHOUT THE

Dominion of Canada, Newfoundland and Prince Edward Island.

THE PUBLISHER OF THE DOMINION DIRECTORY avails himself of this opportunity to announce that he has in preparation A GAZETTEER OF THE ST. LAWRENCE AND ATLANTIC PROVINCES OF BRITISH NORTH AMERICA. This important work is intended to supply the amplex information respecting the Cities, Towns and Villages therein. It will be to the people of Canada, Newfoundland and Prince Edward Island, a Manual replete with accurate information touching the great country in which they live, and to the people of other lands it will expose the advantages, commercial, manufacturing and agricultural, and the undeveloped wealth of this portion of the Empire.

THE GAZETTEER will be carefully compiled, and the most accurate and authentic information inserted.

Special prominence will be given to the Cities, Towns, and places of historical interest and commercial importance, while villages and hamlets will be briefly and lucidly described.

The Lakes, Rivers, Bays, Capes, Inlets, &c., will receive as full and accurate descriptions as can possibly be obtained. The Provinces will be inserted as follows: Ontario, Quebec, Nova Scotia, New Brunswick, Newfoundland and Prince Edward Island. The Provinces of British Columbia and Manitoba will also receive due attention.

The Publisher feels confident that this GAZETTEER will be found worthy of an intelligent and liberal patronage, because it will be indispensable to Public, Professional and Business men, and instrumental in inducing a large migration to these shores.

The Work will contain an Appendix giving the Immigrant useful information respecting the Country, the Districts where he may settle, &c.

THE GAZETTEER will be printed on fine paper, small 8vo. size, in double columns with fine type, and bound in cloth. It will be kept within the smallest compass consistent with its object, which is to supply all the information necessary, at a price placing it within the reach of every one.

Information suitable for the pages of the above work will be thankfully acknowledged.

JOHN LOVELL.

THE WANT OF ACCURATE, USEFUL AND INTELLIGIBLE LOCAL DIRECTORIES has been commonly felt in Canada, and only in a less degree by the inhabitants of the neighboring Provinces. Indeed the complaint has become so common, that the Publisher of the DOMINION DIRECTORY has determined to make the experiment, and discover for himself what encouragement may be expected for such books as the commercial public have very generally concurred in asking for. Should the experiment turn out satisfactorily, it is the Publisher's intention to follow it systematically, and periodically, with new and enlarged editions of the same works. He begs further to say that whether such Directories be General in their character, like the Dominion Directory, or Local, like the Provincial Directories; or Municipal, like the County, City or Town Directories, they will in either and in all cases be prepared with the greatest care, constructed on the simplest plan, printed and bound according to a uniform pattern. Moreover, they will be issued at a price that will place them within the convenient reach of every person who has occasion to avail himself of such information as a Directory is intended to supply.

As the Publisher of the DOMINION DIRECTORY is thoroughly acquainted with the modes in which information for such uses should be obtained, and as he has accumulated an immense stock of the requisite materials, and gathered about him a reliable body of men, whom by constant employment as agents or artisans, have made themselves practically acquainted with every branch of this department of industry, he is able to offer guarantees of his ability to satisfy a commonly expressed want by printing and publishing accurate, useful and intelligible Directories.

The Publisher has no hesitation in guaranteeing as thorough correctness as it is possible to attain, and respectfully as to the accompanying Directory as an example of the style of workmanship he will study to maintain in the projected series. Intimation from merchants and gentlemen in localities where the want of a Directory is recognised, would be accepted as a special favor, and acted upon wherever sufficient encouragement is guaranteed to justify the experiment.
